21.05 If the Employer establishes and implements a new classification standard which covers this group during the term of this agreement, the Employer shall, prior to applying rates of pay to the new levels resulting from the application of the standard, negotiate with the Union the rates of pay and the rules affecting the pay of employees on their movement to the new levels.

Holiday falling on a day of rest

22.03 When a day designated as a paid holiday under clause 22.01 coincides with an employee's day of rest, the holiday shall be moved to the employee's first scheduled working day following the employee's day of rest.

22.04 When a day designated as a paid holiday for an employee is moved to another day under the provisions of clause 22.03,

****Article 23: vacation leave**

23.01 The vacation year shall be from April 1 to March 31 of the following calendar year, inclusive.

Accumulation of vacation leave credits

**

23.02 An employee shall earn vacation leave credits at the following rate for each calendar month during which the employee receives pay for at least seventy-five (75) hours:

 - (i) nine decimal three seven five (9.375) hours until the month in which the anniversary of the employee's eighth (8th) year of service occurs;
 - (ii) twelve decimal five (12.5) hours commencing with the month in which the employee's eighth (8th) anniversary of service occurs;
 - (iii) thirteen decimal seven five (13.75) hours commencing with the month in which the employee's sixteenth (16th) anniversary of service occurs;

- (b) Effective April 1, 2012, for the purpose of clause 23.02 only, all service within the public service, whether continuous or discontinuous, shall count toward vacation leave except where a person who, on leaving the public service, takes or has taken severance pay. However, the above exception shall not apply to an AO who receives severance pay on lay-off and is reappointed to the public service within one (1) year following the date of lay-off.

- (c) Notwithstanding paragraph 23.02(b) above, an employee who was a member of the bargaining unit, appointed prior to November 21, 2013, shall retain for the purposes of “service” and of establishing his or her entitlement pursuant to this article, those periods of former service which had previously qualified as counting for continuous employment, until such time as his or her employment in the public service is terminated.
- (d) For the purpose of clause 23.02 only, effective April 1, 2012, on a go-forward basis, any former service in the Canadian Forces for a continuous period of six (6) months or more, either as a member of the Regular Force or of the Reserve Force while on Class B or C service, shall be included in the calculation of vacation leave credits, once verifiable evidence of such service has been provided in a manner acceptable to the Employer.

**

- (e) For greater certainty, severance termination benefits taken under clauses 28.06 to 28.09 of Appendix B, or similar provisions in other collective agreements, do not reduce the calculation of service for employees who have not left the public service.

Scheduling of vacation leave

23.03 In scheduling vacation leave with pay to an employee the Employer shall, subject to the operational requirements of the service as determined by the Employer, make every reasonable effort:

- (a) not to recall an employee to duty after the employee has proceeded on vacation leave;
- (b) to schedule the employee’s vacation leave during the vacation year in which it is earned, if so requested by the employee not later than June 1;
- (c) to schedule the employee vacation leave for at least two (2) consecutive weeks if so requested by the employee not later than June 1;
- (d) to schedule the employee’s vacation leave on any other basis requested by the employee if the employee makes his or her request not later than June 1;
- (e) to schedule an employee vacation leave when specified by the employee if:
 - (i) the period of vacation leave requested is less than a week, and
 - (ii) the employee gives the Employer at least two (2) days’ advance notice for each day of vacation leave requested.

23.04 The Employer may for good and sufficient reason grant vacation leave on shorter notice than that provided for in clause 23.03.

23.05 An employee earns but is not entitled to receive vacation leave with pay during the employee's first six (6) months of continuous employment.

23.06 Where, in respect of any period of vacation leave, an employee:

- (a) is granted bereavement leave,
or
- (b) is granted leave with pay because of illness in the immediate family,
or
- (c) is granted sick leave on production of a medical certificate, which includes the name, address and phone number of the attending physician, and provided that the employee satisfies the Employer of this condition if deemed necessary by the Employer,

the period of vacation leave so displaced shall either be added to the vacation period if requested by the employee and approved by the Employer or reinstated for use at a later date.

23.07 Carry-over of vacation leave

- (a) Where in any vacation year all of the vacation leave credited to an employee has not been scheduled, the employee may carry over into the following vacation year up to a maximum of two hundred sixty-two decimal five (262.5) hours credits. All vacation leave credits in excess of two hundred sixty-two decimal five (262.5) hours will be paid in cash at the employee's hourly rate of pay as calculated from the classification prescribed in the employee's certificate of appointment of the employee's substantive position on the last day of the vacation year.
- (b) During any vacation year, upon application by the employee and at the discretion of the Employer, earned but unused vacation leave credits in excess of one hundred and twelve decimal five (112.5) hours may be paid in cash at the employee's hourly rate of pay as calculated from the classification prescribed in the employee's certificate of appointment of the employee's substantive position on March 31, of the previous vacation year.

Recall from vacation leave

23.08 Where, during any period of vacation leave, an employee is recalled to duty, the employee shall be reimbursed for reasonable expenses, as normally defined by the Employer, that the employee incurs:

- (a) in proceeding to the employee's place of duty,
and

after submitting such accounts as are normally required by the Employer.

23.09 The employee shall not be considered as being on vacation leave during any period in respect of which the employee is entitled under clause 23.08 to be reimbursed for reasonable expenses incurred by him or her.

Leave when employment terminates

23.10 Where an employee dies or otherwise terminates employment after a period of continuous employment of not more than six (6) months, the employee or the employee's estate shall be paid an amount equal to the earned but unused vacation leave.

**

23.11 Subject to clause 23.12, where an employee dies or voluntarily terminates employment or is terminated from employment after a period of continuous employment of more than six (6) months, the employee or the employee's estate shall, in lieu of earned but unused vacation leave, be paid an amount equal to the product obtained by multiplying the number of hours of earned but unused vacation leave by the hourly rate of pay as calculated from the classification prescribed in his or her certificate of appointment of the substantive position on the date of the termination of his or her employment.

23.12 Notwithstanding clause 23.11, an employee whose employment is terminated for cause pursuant to paragraph 12(1)(e) of the *Financial Administration Act* by reason of abandonment of his or her position is entitled to receive the payment referred to in clause 23.11 if the employee requests it within six (6) months following the date upon which employment is terminated.

Cancellation or alteration of vacation leave

23.13 When the Employer cancels or alters a period of vacation leave which it has previously approved in writing, the Employer shall reimburse the employee for the non-returnable portion of vacation contracts and reservations made by the employee in respect of that period, subject to the presentation of such documentation as the Employer may require. The employee must make every reasonable attempt to mitigate any losses incurred and will provide proof of such action to the Employer.

23.14 Employees shall be credited a one-time entitlement of thirty-seven decimal five (37.5) hours of vacation leave with pay on the first (1st) day of the month following the employee's second (2nd) anniversary of continuous employment.

Article 24: sick leave

Credits

24.01 An employee shall earn sick leave credits at the rate of nine decimal three seven five (9.375) hours for each calendar month for which the employee receives pay for at least seventy-five (75) hours.

24.02 An employee shall be granted sick leave with pay when the employee is unable to perform his or her duties because of illness or injury provided that:

- (a) he or she satisfies the Employer of this condition in such a manner and at such a time as may be determined by the Employer,
and
- (b) he or she has the necessary sick leave credits.

24.03 Unless otherwise informed by the Employer, a statement signed by the employee describing the nature of illness or injury and stating that because of this illness or injury the employee was unable to perform his or her duties shall, when delivered to the Employer, be considered as meeting the requirements of paragraph 24.02(a).

24.04 An employee shall not be granted sick leave with pay during any period in which the employee is on leave of absence without pay, or under suspension.

24.05 When an employee is granted sick leave with pay and injury-on-duty leave is subsequently approved for the same period, it shall be considered for the purpose of the record of sick leave credits that the employee was not granted sick leave with pay.

24.06 Where an employee has insufficient or no credits to cover the granting of sick leave with pay under the provisions of clause 24.02, sick leave with pay may, at the discretion of the Employer, be granted:

- (a) for a period of up to one hundred and eighty-seven decimal five (187.5) hours if the employee is awaiting a decision on an application for injury-on-duty leave,
or
 - (b) for a period of up to one hundred and twelve decimal five (112.5) hours if the employee has not submitted an application for injury-on-duty leave,
- subject to the deduction of such advanced leave from any sick leave credits subsequently earned.

****Article 25: other leave with or without pay**

25.01 In respect of any requests for leave under this article, the employee, when required by the Employer, must provide satisfactory validation of the circumstances necessitating such requests, in such manner and at such time as may be determined by the Employer and confirmed in writing.

**

25.02 Bereavement leave with pay

For the purpose of this clause, immediate family is defined as father, mother (or, alternatively, stepfather, stepmother, or foster parent), brother, sister, step-brother, step-sister, spouse (including common-law partner resident with the employee), child (including child of common-law partner), stepchild, foster child or ward of the employee, grandparent, father-in-law, mother-in-law, grandchild, relative permanently residing in the employee's household or with whom the employee permanently resides, and a person who stands in the place of a relative for the employee whether or not there is any degree of consanguinity between such person and the employee.

- (a) When a member of the employee's immediate family dies, an employee shall be entitled to a bereavement leave with pay. Such bereavement leave, as determined by the employee, must include the day of the memorial commemorating the deceased, or must begin within two (2) days following the death. During such period the employee shall be paid for those days which are not regularly scheduled days of rest for that employee. In addition, the employee may be granted up to three (3) days' leave with pay for the purpose of travel related to the death.
- (b) At the request of the employee, such bereavement leave with pay may be taken in a single period of seven (7) consecutive calendar days or may be taken in two (2) periods to a maximum of five (5) working days.
- (c) When requested to be taken in two (2) periods:
 - (i) the first period must include the day of the memorial commemorating the deceased or must begin within two (2) days following the death, and

On request, the deputy head of a department may, after considering the particular circumstances involved, grant leave with pay for a period greater than that provided for in paragraphs 25.02(a) and (d).
- (f) If, during a period of sick leave, vacation leave or compensatory leave, an employee is bereaved in circumstances under which he or she would have been eligible for bereavement leave with pay under paragraphs 25.02(a) and (d), the employee shall be granted bereavement leave with pay and his or her paid leave credits shall be restored to the extent of any concurrent bereavement leave with pay granted.

**

- (g) An employee shall be entitled to bereavement leave for a person who stands in the place of a relative for the employee whether or not there is a degree of consanguinity between such person and the employee only once during the employee's total period of employment in the public service.

Where an employee participates as a candidate in a personnel selection process for a position in the public service, as defined in the FPSLRA, the employee is entitled to leave of absence with pay for the period during which the employee's presence is required for purposes of the selection process, and for such further period as the Employer considers reasonable for the employee to travel to and from the place where the employee's presence is so required. Remuneration in these circumstances shall be limited to regular salary.

25.05 Injury-on-duty leave with pay

An employee shall be granted injury-on-duty leave with pay for such reasonable period as may be determined by the Employer when a claim has been made pursuant to the *Government Employees' Compensation Act*, and a workers' compensation authority has notified the Employer that it has certified that the employee is unable to work because of:

- (a) personal injury received in the performance of the employee's duties and not caused by wilful misconduct,
- or
- (b) an industrial illness or a disease arising out of and in the course of the employee's employment,

if the employee agrees to remit to the Receiver General for Canada any amount received by the employee in compensation for loss of pay resulting from or in respect of such injury, illness or disease providing, however, that such amount does not stem from a personal disability policy for which the employee or the employee's agent has paid the premium.

25.06 Examination leave with pay

Leave of absence with pay to write examinations may be granted by the Employer to an employee. Such leave will be granted only where in the opinion of the Employer the course of study is directly related to the employee's duties or will improve the employee's qualifications.

25.07 Maternity leave without pay

- (a) An employee who becomes pregnant shall, upon request, be granted maternity leave without pay for a period beginning before, on or after the termination date of pregnancy and ending not later than eighteen (18) weeks after the termination date of pregnancy.
- (b) Notwithstanding paragraph (a):

- (i) where the employee has not yet proceeded on maternity leave without pay and her newborn child is hospitalized,
- or
- (ii) where the employee has proceeded on maternity leave without pay and then returns to work for all or part of the period during which her newborn child is hospitalized,

the period of maternity leave without pay defined in paragraph (a) may be extended beyond the date falling eighteen (18) weeks after the date of termination of pregnancy by a period equal to that portion of the period of the child's hospitalization during which the employee was not on maternity leave, to a maximum of eighteen (18) weeks.

- (f) An employee shall inform the Employer in writing of her plans for taking leave with and without pay to cover her absence from work due to the pregnancy at least four (4) weeks in advance of the initial date of continuous leave of absence during which termination of pregnancy is expected to occur unless there is a valid reason why the notice cannot be given.
- (g) Leave granted under this clause shall be counted for the calculation of "continuous employment" for the purpose of calculating severance pay and "service" for the purpose of calculating vacation leave. Time spent on such leave shall be counted for pay increment purposes.

**

**

(iii) has signed an agreement with the Employer stating that:

- (A) she will return to work within the federal public administration, as specified in Schedule I, Schedule IV or Schedule V of the *Financial Administration Act*, on the expiry date of her maternity leave without pay unless the return-to-work date is modified by the approval of another form of leave;
- (B) following her return to work, as described in section (A), she will work for a period equal to the period she was in receipt of maternity allowance;

**

- (C) should she fail to return to work in accordance with section (A), or should she return to work but fail to work for the total period specified in section (B), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in section (B), or having become disabled as defined in the *Public Service Superannuation Act*, she will be indebted to the Employer for an amount determined as follows:

$$\begin{array}{r}
 \text{(allowance received)} \quad \times \quad \frac{\text{(remaining period to be worked}}{\text{following her return to work)}}{\text{[total period to be worked as}} \\
 \text{specified in (B)]}
 \end{array}$$

however, an employee whose specified period of employment expired and who is rehired within the federal public administration as described in section (A),

within a period of ninety (90) days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

- (b) For the purpose of sections (a)(iii)(B) and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).

**

- (c) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:
- (i) where an employee is subject to a waiting period before receiving Employment Insurance maternity benefits, ninety-three per cent (93%) of her weekly rate of pay for the waiting period, less any other monies earned during this period;
 - (ii) for each week that the employee receives a maternity benefit under the Employment Insurance or the QPIP, she is eligible to receive the difference between ninety-three per cent (93%) of her weekly rate of pay and the maternity benefit, less any other monies earned during this period which may result in a decrease in her maternity benefit to which she would have been eligible if no extra monies had been earned during this period;
and
 - (iii) where an employee has received the full fifteen (15) weeks of maternity benefits under Employment Insurance and thereafter remains on maternity leave without pay, she is eligible to receive a further maternity allowance for a period of one (1) week at ninety-three per cent (93%) of her weekly rate of pay, less any other monies earned during this period.
- (d) At the employee's request, the payment referred to in subparagraph 25.08(c)(i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance or QPIP maternity benefits.
- (e) The maternity allowance to which an employee is entitled is limited to that provided in paragraph (c) and an employee will not be reimbursed for any amount that she may be required to repay pursuant to the *Employment Insurance Act* or the *Act Respecting Parental Insurance* in Quebec.
- (f) The weekly rate of pay referred to in paragraph (c) shall be:
- (i) for a full-time employee, the employee's weekly rate of pay on the day immediately preceding the commencement of maternity leave without pay,

- (ii) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in subparagraph (i) by the fraction obtained by dividing the employee's straight-time earnings by the straight-time earnings the employee would have earned working full-time during such period.
- (g) The weekly rate of pay referred to in paragraph (f) shall be the rate to which the employee is entitled for her substantive level to which she is appointed.
- (h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of maternity leave without pay an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate she was being paid on that day.
- (i) Where an employee becomes eligible for a pay increment or pay revision that would increase the maternity allowance, the allowance shall be adjusted accordingly.
- (j) Maternity allowance payments made under the SUB Plan will neither reduce nor increase an employee's deferred remuneration or severance pay.

25.09 Special maternity allowance for totally disabled employees

- (a) An employee who:
 - (i) fails to satisfy the eligibility requirement specified in subparagraph 25.08(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Long-Term Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or the *Government Employees Compensation Act* prevents her from receiving Employment Insurance or QPIP maternity benefits; and
 - (ii) has satisfied all of the other eligibility criteria specified in paragraph 25.08(a), other than those specified in sections (A) and (B) of subparagraph 25.08(a)(iii);

shall be paid, in respect of each week of maternity allowance not received for the reason described in subparagraph 25.09(a)(i), the difference between ninety-three per cent (93%) of her weekly rate of pay, and the gross amount of her weekly disability benefit under the DI Plan, the LTD Plan or via the *Government Employees Compensation Act*.

- (b) An employee shall be paid an allowance under this clause and under clause 25.08 for a combined period of no more than the number of weeks during which she would have been eligible for maternity benefits under the Employment Insurance or the QPIP had

25.11 Parental allowance

Under the Employment Insurance benefits plan, parental allowance is payable under two options, either:

- Option 1: standard parental benefits, 25.11 paragraphs (c) to (k),
or
- Option 2: extended parental benefits, 25.11 paragraphs (l) to (t).

Once an employee elects the standard or extended parental benefits and the weekly benefit top up allowance is set, the decision is irrevocable and shall not be changed should the employee return to work at an earlier date than that originally scheduled.

Under the QPIP, parental allowance is payable only under Option 1: standard parental benefits.

Parental allowance administration

- (a) An employee who has been granted parental leave without pay, shall be paid a parental allowance in accordance with the terms of the Supplemental Unemployment Benefit (SUB) Plan described in paragraphs (c) to (i) or (l) to (r), providing he or she:
- (i) has completed six (6) months of continuous employment before the commencement of parental leave without pay,

****Appendix “C”:** Memorandum of Agreement on Supporting Employee Wellness

This memorandum of agreement is to give effect to the agreement reached between the Employer and the bargaining agent (hereinafter referred to as “the parties”) regarding issues of employee wellness.

The parties have engaged in meaningful negotiations and co-development of comprehensive Employee Wellness Support Program (EWSP) language and program design to capture the key features and other recommendations agreed to by the technical committee and steering committee, which is reflected in the Plan Document agreed to by the parties on May 26, 2019.

The program and its principles focus on improving employee wellness and the reintegration of employees into the workplace after periods of leave due to illness or injury. The previous MOA identified the following key features:

- contained in collective agreements;
- benefits for up to twenty-six (26) weeks (one hundred and thirty (130) working days) with income support replacement at one hundred per cent (100%);
- the annual allotment shall be nine (9) days of paid sick leave for illness or injury that falls outside of the parameters of the EWSP;
- one hundred per cent (100%) income replacement during the three (3) day (working) qualification period when the employee’s claim is approved;
- qualifying chronic or episodic illnesses will be exempt of the waiting period;
- the qualification period will be waived in cases of hospitalization or recurrence of a prior illness or injury approved under EWSP within thirty (30) days;
- employees are entitled to carry over a maximum of three (3) days of unused sick leave credits remaining at the end of the fiscal year, for use in the following fiscal year;
- the accumulation of current sick leave credits will cease once the EWSP is implemented. Employees with banked sick leave in excess of twenty-six (26) weeks, will be entitled to carry over those excess days to provide extended coverage at one hundred per cent (100%) income replacement prior to accessing LTD;
- travel time for diagnosis and treatment;
- internal case management and return-to-work services focused on supporting employees when ill or injured;
- an employee on EWSP will be considered to be on leave with pay;
- full costs of administering the EWSP to be borne by Employer;
- and
- increase the quantum of family related leave by one (1) day.

The Plan Document approved on May 26, 2019 takes precedence over the principles, if there’s a difference in interpretation.

Process

The parties agree to continue the work of the TBS / Bargaining Agent Employee Wellness Support Program (EWSP) Steering Committee, which will focus on finalizing a service delivery model for program implementation, including its governance, for the improvement of employee wellness and the reintegration of employees into the workplace after periods of leave due to illness or injury.

As required, the Steering Committee will direct a subcommittee to make recommendations on the overall implementation, service delivery and governance issues of the Program. As a first priority, the Steering Committee will develop a planning framework with timelines to guide work toward the timely implementation of the new EWSP. A governance model will be developed taking into account there will be only one (1) EWSP.

The Steering Committee will complete the necessary work on overall implementation, including service delivery and governance issues no later than March 21, 2020, a date which can be moved based on mutual agreement of the parties.

If accepted by the Steering Committee, the recommendation(s) concerning program implementation, including service delivery and governance, as well as the proposal for the EWSP itself, approval will be sought on these elements from the Treasury Board of Canada and by the bargaining units.

If approved by both parties, the parties mutually consent to reopen the collective agreement to vary the agreement only insofar as to include the EWSP wording, and include consequential changes. No further items are to be varied through this reopener – the sole purpose will be EWSP-related modifications. The EWSP Program would be included in the relevant collective agreements only as a reopener.

Should the parties not be able to reach agreement on EWSP, the existing sick leave provisions, as currently stipulated in collective agreements, will remain in force.

For greater certainty, this MOA forms part of the collective agreement.

****Appendix “D”: Memorandum of Understanding Temporary Suspension of Pay-Out: Vacation Leave and Compensatory Leave Credits**

This is to confirm the parties understanding concerning the application of paragraphs 19.04(b) (overtime) and 23.07(a) (carry over of vacation leave) during the period that the Human Resources Information Notice entitled Vacation and Compensatory Leave Cash-out for years 2018 and 2019 issued on February 23, 2018, and the addendum issued on March 22, 2018, remain in effect.

The parties agree that notwithstanding clause 19.04 of the Article 19 (overtime) and paragraph 23.07(a) of Article 23 (vacation leave), payouts of earned but unused vacation leave credits and earned but unused compensatory leave credits, in accordance with the Notice concerning Vacation and Compensatory Leave Cash-out for years 2018 and 2019 issued on February 23, 2018, and the addendum issued on March 22, 2018, or any future addenda, will not be paid out automatically during the period the Notice and any relevant addenda remain in effect.

****Appendix “E”: Memorandum of Agreement Between the Treasury Board and the Canadian Federal Pilots Association with Respect to the Review of the Transport Canada Professional Aviation Currency Policy and the Transportation Safety Board *Policy on CAI Professional Aviation Currency***

This memorandum is to give effect to the agreement reached between the Treasury Board and the Canadian Federal Pilots Association (CFPA) regarding employees within the Aircraft Operations (AO) bargaining unit.

As stipulated at clause 46.05 of the Aircraft Operations (AO) collective agreement, all changes to the Transport Canada (TC) Professional Aviation Currency Policy (PACP) and the Transportation Safety Board (TSB) *Policy on CAI Professional Aviation Currency* shall be accomplished by means of mutual agreement between the parties.

By way of this memorandum of agreement (MOA), the parties agree that TC and TSB representatives, and CFPA representatives, will meet within thirty (30) days of the signing of the tentative collective agreement to begin review of each organization’s respective PACP. The joint committee’s review will focus on the following objectives:

- (1) Modernize the overall PACPs to reflect the current environment;
- (2) Review and update existing programs and, if required, expand the list of approved programs to address:
 - evolving technology;
 - pilot competency;
 - and
 - operational and organizational requirements.
- (3) Review and streamline the PACPs’ approval process for individual currency programs to incorporate a longer term (multi-year) perspective;
- (4) Incorporate flexibilities in the PACPs to permit in-year adjustments to the individual currency programs arising from operational requirements and unforeseen circumstances.
- (5) Establish an internal review mechanism to address concerns related to the application of the PACPs, including timelines for decision and dispute resolution.

The joint committees will endeavour to complete their work and agree on any necessary changes to the PACPs by April 1, 2020. This date may, by mutual agreement, be extended.

****Appendix “F”: Memorandum of Understanding Between the Treasury Board and the Canadian Federal Pilots Association with Respect to Implementation of the Collective Agreement**

This memorandum takes effect on January 26, 2019.

Notwithstanding the provisions of clause 21.03 on the calculation of retroactive payments and clause 54.03 on the collective agreement implementation period, this memorandum is to give effect to the understanding reached between the Employer and the Canadian Federal Pilots Association regarding a modified approach to the calculation and administration of retroactive payments for the current round of negotiations.

(1) Calculation of retroactive payments

- (a) Retroactive calculations that determine amounts payable to employees for a retroactive period shall be made based on all transactions that have been entered into the pay system up to the date on which the historical salary records for the retroactive period are retrieved for the calculation of the retroactive payment.
- (b) Retroactive amounts will be calculated by applying the relevant percentage increases indicated in the collective agreement rather than based on pay tables in agreement annexes. The value of the retroactive payment will differ from that calculated using the traditional approach, as no rounding will be applied. The payment of retroactive amount will not affect pension entitlements or contributions relative to previous methods, except in respect of the rounding differences.
- (c) Elements of salary traditionally included in the calculation of retroactivity will continue to be included in the retroactive payment calculation and administration, and will maintain their pensionable status as applicable. The elements of salary included in the historical salary records and therefore included in the calculation of retroactivity include:
 - substantive salary
 - promotions
 - deployments
 - acting pay
 - extra duty pay / overtime
 - additional hours worked
 - maternity leave allowance
 - parental leave allowance
 - vacation leave and extra duty pay cash-out
 - severance pay
 - salary for the month of death
 - Transition Support Measure
 - eligible allowances and supplemental salary depending on collective agreement

- (d) The payment of retroactive amounts related to transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved, such as acting pay, promotions, overtime and/or deployments, will not be considered in determining whether an agreement has been implemented.
- (e) Any outstanding pay transactions will be processed once they are entered into the pay system and any retroactive payment from the collective agreement will be issued to impacted employees.

(2) Implementation

- (a) The effective dates for economic increases will be specified in the agreement. Other effective provisions of the collective agreement will be as follows:
 - (i) All components of the agreement unrelated to pay administration will come into force on signature of agreement.
 - (ii) Changes to existing compensation elements such as premiums, allowances, insurance premiums and coverage and changes to overtime rates will become effective within one hundred and eighty (180) days after signature of agreement*, on the date at which prospective elements of compensation increases will be implemented under subparagraph 2(b)(i).
 - (iii) Payment of premiums, allowances, insurance premiums and coverage and overtime rates in the collective agreement will continue to be paid until changes come into force as stipulated in subparagraph 2(a)(ii).

***(For greater certainty, “days after signature of agreement” means the effective date will be within the specified number of days from the date of the arbitral award, December 18, 2019.)**

- (b) Collective agreement will be implemented over the following timeframes:
 - (i) The prospective elements of compensation increases (such as prospective salary rate changes and other compensation elements such as premiums, allowances, changes to overtime rates) will be implemented within one hundred and eighty (180) days after signature of agreement where there is no need for manual intervention.
 - (ii) Retroactive amounts payable to employees will be implemented within one hundred and eighty (180) days after signature of the agreement where there is no need for manual intervention.
 - (iii) Prospective compensation increases and retroactive amounts that require manual processing by compensation advisors will be implemented within five hundred and sixty (560) days after signature of agreement. Manual intervention is generally required for employees on an extended period of leave without pay (e.g., maternity/parental leave), salary protected employees and those with transactions such as leave with income averaging, pre-retirement transition leave and employees paid below minimum, above maximum or in between steps. Manual

intervention may also be required for specific accounts with complex salary history.

(3) Employee recourse

- (a) An employee who is in the bargaining unit for all or part of the period between the first day of the collective agreement (i.e., the day after the expiry of the previous collective agreement) and the signature date of the collective agreement will be entitled to a non-pensionable amount of four hundred dollars (\$400) payable within one hundred and eighty (180) days of signature, in recognition of extended implementation timeframes and the significant number of transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved.
- (b) Employees in the bargaining unit for whom the collective agreement is not implemented within one hundred and eighty-one (181) days after signature will be entitled to a fifty-dollar (\$50) non-pensionable amount; these employees will be entitled to an additional fifty-dollar (\$50) non-pensionable amount for every subsequent complete period of ninety (90) days their collective agreement is not implemented, to a total maximum of nine (9) payments. These amounts will be included in their final retroactive payment. For greater certainty, the total maximum amount payable under this paragraph is four hundred and fifty dollars (\$450).
- (c) If an employee is eligible for compensation in respect of section 3 under more than one collective agreement, the following applies: the employee shall receive only one non-pensionable amount of four hundred dollars (\$400); for any period under paragraph 3(b), the employee may receive one (1) fifty-dollar (\$50) payment, to a maximum total payment of four hundred and fifty dollars (\$450).
- (d) Should the Employer negotiate higher amounts for paragraphs 3(a) or 3(b) with any other bargaining agent representing core public administration (CPA) employees, it will compensate the Canadian Federal Pilots Association (CFPA) members for the difference in an administratively feasible manner.
- (e) Late implementation of the 2018 collective agreements will not create any entitlements pursuant to the Agreement between the CPA bargaining agents and the Treasury Board of Canada with regard to damages caused by the Phoenix pay system.
- (f) Employees for whom collective agreement implementation requires manual intervention will be notified of the delay within one hundred and eighty (180) days after signature of the agreement.
- (g) Employees will be provided a detailed breakdown of the retroactive payments received and may request that the departmental compensation unit or the Public Service Pay Centre verify the calculation of their retroactive payments, where they believe these amounts are incorrect. The Employer will consult with the CFPA regarding the format of the detailed breakdown.
- (h) In such a circumstance, for employees in organizations serviced by the Pay Centre, they must first complete a Phoenix feedback form indicating what period they believe is missing from their pay.
