Article 15: labour disputes

15.01 If employees are prevented from performing their duties because of a strike or lock-out on the premises of another Employer, the employees shall report the matter to the Employer, and the Employer will make reasonable efforts to ensure that such employees are employed elsewhere, so that they shall receive their regular pay and benefits to which they would normally be entitled.

Article 16: illegal strikes

16.01 The Public Service Labour Relations Act provides penalties for engaging in illegal strikes. Disciplinary action may also be taken, which will include penalties up to and including termination of employment pursuant to paragraph 12(1)(c) of the Financial Administration Act, for participation in an illegal strike as defined in the Public Service Labour Relations Act.

****Article 17: discipline**

**

17.01 When an employee is suspended from duty or terminated in accordance with paragraph 12(1)(c) of the Financial Administration Act, the Employer shall notify the employee in writing of the reason for such suspension or termination. The Employer shall endeavour to give such notification beforehand or at the time of suspension or termination.

**

17.02 When an employee is required to attend a meeting, the purpose of which is to conduct a disciplinary hearing concerning him or her or to render a disciplinary decision concerning him or her, the employee is entitled to have, at his or her request, a representative of the Alliance attend the meeting. Where practicable, the employee shall receive a minimum of two (2) days' notice of such a meeting.

17.03 The Employer shall notify the local representative of the Alliance as soon as possible that such suspension or termination has occurred.

17.04 The Employer agrees not to introduce as evidence in a hearing relating to disciplinary action any document from the file of an employee the content of which the employee was not aware of at the time of filing or within a reasonable period thereafter.

17.05 Any document or written statement related to disciplinary action, which may have been placed on the personnel file of an employee, shall be destroyed after two (2) years have elapsed since the disciplinary action was taken, provided that no further disciplinary action has been recorded during this period.

Article 18: grievance procedure

18.01 In cases of alleged misinterpretation or misapplication arising out of agreements concluded by the National Joint Council of the public service on items which may be included in a collective agreement and which the parties to this agreement have endorsed, the grievance procedure will be in accordance with section 15 of the NJC by-laws.

Individual grievances

18.02 Subject to and as provided in section 208 of the Public Service Labour Relations Act, an employee may present an individual grievance to the Employer if he or she feels aggrieved:

- a. by the interpretation or application, in respect of the employee, of:
 - i. a provision of a statute or regulation, or of a direction or other instrument made or issued by the Employer, that deals with terms and conditions of employment;
or
 - ii. a provision of the collective agreement or an arbitral award;
or
- b. as a result of any occurrence or matter affecting his or her terms and conditions of employment.

Group grievances

18.03 Subject to and as provided in section 215 of the Public Service Labour Relations Act, the Alliance may present a group grievance to the Employer on behalf of employees in the bargaining unit who feel aggrieved by the interpretation or application, common in respect of those employees, of a provision of the collective agreement or an arbitral award.

- a. In order to present a group grievance, the Alliance must first obtain the written consent of each of the employees concerned.
- b. A group grievance shall not be deemed to be invalid by reason only of the fact that the consent is not in accordance with Form 19.
- c. A group grievance must relate to employees in a single portion of the Federal Public Administration.

Policy grievances

18.04 Subject to and as provided in section 220 of the Public Service Labour Relations Act, the Alliance or the Employer may present a policy grievance in respect of the interpretation or application of the collective agreement or of an arbitral award.

- a. A policy grievance may be presented by the Alliance only at the final level of the grievance procedure, to an authorized representative of the Employer. The Employer shall inform the Alliance of the name, title and address of this representative.
- b. The grievance procedure for a policy grievance by the Employer shall also be composed of a single level, with the grievance presented to an authorized representative of the Alliance. The Alliance shall inform the Employer of the name, title and address of this representative.

Grievance procedure

18.05 For the purposes of this article, a grievor is an employee or, in the case of a group or policy grievance, the Alliance.

18.06 No person shall seek by intimidation, by threat of dismissal or by any other kind of threat to cause a grievor to abandon a grievance or refrain from exercising the right to present a grievance, as provided in this collective agreement.

18.07 The parties recognize the value of informal discussion between employees and their supervisors and between the Alliance and the Employer to the end that problems might be resolved without recourse to a formal grievance. When notice is given that an employee or the Alliance, within the time limits prescribed in clause 18.15, wishes to take advantage of this clause, it is agreed that the period between the initial discussion and the final response shall not count as elapsed time for the purpose of grievance time limits.

18.08 A grievor wishing to present a grievance at any prescribed level in the grievance procedure, shall transmit this grievance to the employee's immediate supervisor or local officer-in-charge who shall forthwith:

- a. forward the grievance to the representative of the Employer authorized to deal with grievances at the appropriate level,
and
- b. provide the grievor with a receipt stating the date on which the grievance was received.

18.09 A grievance shall not be deemed to be invalid by reason only of the fact that it is not in accordance with the form supplied by the Employer.

18.10 Subject to and as provided for in the Public Service Labour Relations Act, a grievor who feels treated unjustly or aggrieved by an action or lack of action by the Employer in matters other than those arising from the classification process is entitled to present a grievance in the manner prescribed in clause 18.08, except that:

- a. where there is another administrative procedure provided by or under any Act of Parliament to deal with the grievor's specific complaint such procedure must be followed,
and
- b. where the grievance relates to the interpretation or application of this collective agreement or an arbitral award, an employee is not entitled to present the grievance unless he has the approval of and is represented by the Alliance.

18.11 There shall be no more than a maximum of four (4) levels in the grievance procedure. These levels shall be as follows:

- a. Level 1: first level of management;
- b. Levels 2 and 3 in departments or agencies where such a levels are established (intermediate level(s));
- c. Final level: Chief Executive or deputy head or an authorized representative.

Whenever there are four (4) levels in the grievance procedure, the grievor may elect to waive either Level 2 or 3.

No Employer representative may hear the same grievance at more than one level in the grievance procedure.

18.12 The Employer shall designate a representative at each level in the grievance procedure and shall inform each employee to whom the procedure applies of the name or title of the person so designated together with the name or title and address of the immediate supervisor or local officer-in-charge to whom a grievance is to be presented.

18.13 This information shall be communicated to employees by means of notices posted by the Employer in places where such notices are most likely to come to the attention of the employees to whom the grievance procedure applies, or otherwise as determined by agreement between the Employer and the Alliance.

18.14 An employee may be assisted and/or represented by the Alliance when presenting a grievance at any level. The Alliance shall have the right to consult with the Employer with respect to a grievance at each or any level of the grievance procedure.

18.15 A grievor may present a grievance to the first level of the procedure in the manner prescribed in clause 18.08, not later than the twenty-fifth (25th) day after the date on which the grievor is notified or on which the grievor first becomes aware of the action or circumstances giving rise to the grievance. The Employer may present a policy grievance in the manner prescribed in clause 18.04 not later than the twenty-fifth (25th) day after the date on which the Employer is notified orally or in writing or on which the Employer first becomes aware of the action or circumstances giving rise to the policy grievance.

18.16 A grievor may present a grievance at each succeeding level in the grievance procedure beyond the first level either:

- a. where the decision or settlement is not satisfactory to the grievor, within ten (10) days after that decision or settlement has been conveyed in writing to the grievor by the Employer,
- or
- b. where the Employer has not conveyed a decision to the grievor within the time prescribed in clause 18.17, within fifteen (15) days after presentation by the grievor of the grievance at the previous level.

18.17 The Employer shall normally reply to a grievance at any level of the grievance procedure, except the final level, within ten (10) days after the grievance is presented, and within twenty (20) days where the grievance is presented at the final level except in the case of a policy grievance, to which the Employer shall normally respond within thirty (30) days. The Alliance shall normally reply to a policy grievance presented by the Employer within thirty (30) days.

18.18 Where an employee has been represented by the Alliance in the presentation of the employee's grievance, the Employer will provide the appropriate representative of the Alliance with a copy of the Employer's decision at each level of the grievance procedure at the same time that the Employer's decision is conveyed to the employee.

18.19 The decision given by the Employer at the Final Level in the grievance procedure shall be final and binding upon the employee unless the grievance is a class of grievance that may be referred to adjudication.

18.20 In determining the time within which any action is to be taken as prescribed in this procedure, Saturdays, Sundays and designated paid holidays shall be excluded.

18.21 Where the provisions of clause 18.08 cannot be complied with and it is necessary to present a grievance by mail, the grievance shall be deemed to have been presented on the day on which it is postmarked and it shall be deemed to have been received by the Employer on the day it is delivered to the appropriate office of the department or agency concerned. Similarly, the Employer shall be deemed to have delivered a reply at any level on the date on which the letter containing the reply is postmarked, but the time limit within which the grievor may present the grievance at the next higher level shall be calculated from the date on which the Employer's reply was delivered to the address shown on the grievance form.

18.22 The time limits stipulated in this procedure may be extended by mutual agreement between the Employer and the grievor and, where appropriate the Alliance representative.

18.23 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular level of authority, any or all the levels except the final level may be eliminated by agreement of the Employer and the grievor, and, where applicable, the Alliance.

18.24 Where the Employer demotes or terminates an employee for cause pursuant to paragraph 12(1)(c), (d) or (e) of the Financial Administration Act, the grievance procedure set forth in this agreement shall apply except that the grievance shall be presented at the final level only.

18.25 A grievor may by written notice to the immediate supervisor or officer-in-charge abandon a grievance.

18.26 Any grievor who fails to present a grievance to the next higher level within the prescribed time limits shall be deemed to have abandoned the grievance unless, due to circumstances beyond the grievor's control, the grievor was unable to comply with the prescribed time limits.

18.27 Where a grievance has been presented up to and including the final level in the grievance procedure with respect to:

- a. the interpretation or application of a provision of this collective agreement or related arbitral award,
or
- b. termination of employment or demotion pursuant to paragraph 12(1)(c), (d) or (e) of the Financial Administration Act,
or
- c. disciplinary action resulting in suspension or financial penalty,

and the grievance has not been dealt with to the grievor's satisfaction, it may be referred to adjudication in accordance with the provisions of the Public Service Labour Relations Act and Regulations.

18.28 Where a grievance that may be presented by an employee to adjudication is a grievance relating to the interpretation or application in respect of the employee of a provision of this agreement or an arbitral award, the employee is not entitled to refer the grievance to adjudication unless the Alliance signifies:

- a. its approval of the reference of the grievance to adjudication,
and
- b. its willingness to represent the employee in the adjudication proceedings.

Expedited adjudication

18.29 The parties agree that any adjudicable grievance may be referred to the following expedited adjudication process:

- a. At the request of either party, a grievance that has been referred to adjudication may be dealt with through expedited adjudication with the consent of both parties.
- b. When the parties agree that a particular grievance will proceed through expedited adjudication, the Alliance will submit to the PSLRB the consent form signed by the grievor or the bargaining agent.
- c. The parties may proceed with or without an Agreed Statement of Facts. When the parties arrive at an Agreed Statement of Facts it will be submitted to the PSLRB or to the Adjudicator at the hearing.
- d. No witnesses will testify.
- e. The Adjudicator will be appointed by the PSLRB from among its members who have had at least three (3) years of experience as a member of the Board.
- f. Each expedited adjudication session will take place in Ottawa, unless the parties and the PSLRB agree otherwise. The cases will be scheduled jointly by the parties and the PSLRB, and will appear on the PSLRB schedule.
- g. The Adjudicator will make an oral determination at the hearing, which will be recorded and initialled by the representatives of the parties. This will be confirmed in a written determination to be issued by the Adjudicator within five (5) days of the hearing. The parties may, at the request of the Adjudicator, vary the above conditions in a particular case.
- h. The Adjudicator's determination will be final and binding on all the parties, but will not constitute a precedent. The parties agree not to refer the determination to the Federal Court.

Article 19: no discrimination

19.01 There shall be no discrimination, interference, restriction, coercion, harassment, intimidation, or any disciplinary action exercised or practiced with respect to an employee by reason of age, race, creed, colour, national or ethnic origin, religious affiliation, sex, sexual orientation, gender identity and expression, family status, marital status, mental or physical disability, membership or activity in the Alliance or a conviction for which a pardon has been granted.

19.02

- a. Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.
- b. If by reason of paragraph (a) a level in the grievance procedure is waived, no other level shall be waived except by mutual agreement.

19.03 By mutual agreement, the parties may use a mediator in an attempt to settle a grievance dealing with discrimination. The selection of the mediator will be by mutual agreement.

19.04 Upon request by the complainant(s) and/or respondent(s), an official copy of the investigation report shall be provided to them by the Employer, subject to any restriction pursuant to the Access to Information Act and the Privacy Act.

Article 20: sexual harassment

20.01 The Alliance and the Employer recognize the right of employees to work in an environment free from sexual harassment and agree that sexual harassment will not be tolerated in the workplace.

20.02

- a. Any level in the grievance procedure shall be waived if a person hearing the grievance is the subject of the complaint.
- b. If by reason of paragraph (a) a level in the grievance procedure is waived, no other level shall be waived except by mutual agreement.

20.03 By mutual agreement, the parties may use a mediator in an attempt to settle a grievance dealing with sexual harassment. The selection of the mediator will be by mutual agreement.

20.04 Upon request by the complainant(s) and/or respondent(s), an official copy of the investigation report shall be provided to them by the Employer, subject to any restriction pursuant to the Access to Information Act and the Privacy Act.

Article 21: joint consultation

21.01 The parties acknowledge the mutual benefits to be derived from joint consultation and are prepared to enter into discussion aimed at the development and introduction of appropriate machinery for the purpose of providing joint consultation on matters of common interest.

21.02 Within five (5) days of notification of consultation served by either party, the Alliance shall notify the Employer in writing of the representatives authorized to act on behalf of the Alliance for consultation purposes.

21.03 Upon request of either party, the parties to this agreement shall consult meaningfully at the appropriate level about contemplated changes in conditions of employment or working conditions not governed by this agreement.

21.04 Without prejudice to the position the Employer or the Alliance may wish to take in future about the desirability of having the subjects dealt with by the provisions of collective agreements, the subjects that may be determined as appropriate for joint consultation will be by agreement of the parties.

Article 22: health and safety

22.01 The Employer shall make reasonable provisions for the occupational safety and health of employees. The Employer will welcome suggestions on the subject from the Alliance, and the parties undertake to consult with a view to adopting and expeditiously carrying out reasonable procedures and techniques designed or intended to prevent or reduce the risk of employment injury.

Article 23: job security

23.01 Subject to the willingness and capacity of individual employees to accept relocation and retraining, the Employer will make every reasonable effort to ensure that any reduction in the workforce will be accomplished through attrition.

Article 24: technological change

24.01 The parties have agreed that in cases where as a result of technological change the services of an employee are no longer required beyond a specified date because of lack of work or the discontinuance of a function, Appendix T: workforce adjustment, will apply. In all other cases the following clauses will apply.

24.02 In this article “technological change” means:

- a. the introduction by the Employer of equipment or material of a different nature than that previously utilized;
and
- b. a change in the Employer’s operation directly related to the introduction of that equipment or material.

24.03 Both parties recognize the overall advantages of technological change and will, therefore, encourage and promote technological change in the Employer’s operations. Where technological change is to be implemented, the Employer will seek ways and means of minimizing adverse effects on employees which might result from such changes.

24.04 The Employer agrees to provide as much advance notice as is practicable but, except in cases of emergency, not less than one hundred and eighty (180) days written notice to the Alliance of the introduction or implementation of technological change when it will result in significant changes in the employment status or working conditions of the employees.

24.05 The written notice provided for in clause 24.04 will provide the following information:

- a. the nature and degree of the technological change;

- b. the date or dates on which the Employer proposes to effect the technological change;
- c. the location or locations involved;
- d. the approximate number and type of employees likely to be affected by the technological change;
- and
- e. the effect that the technological change is likely to have on the terms and conditions of employment of the employees affected.

24.06 As soon as reasonably practicable after notice is given under clause 24.04, the Employer shall consult meaningfully with the Alliance concerning the rationale for the change and the topics referred to in paragraph 24.05 on each group of employees, including training.

24.07 When, as a result of technological change, the Employer determines that an employee requires new skills or knowledge in order to perform the duties of the employee's substantive position, the Employer will make every reasonable effort to provide the necessary training during the employee's working hours without loss of pay and at no cost to the employee.

Part III: working conditions

****Article 25: hours of work**

Alternate provision

This article does not apply to employees in the PI bargaining unit (see provisions of Appendix M).

General

25.01 An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.

25.02 The Employer agrees that, before a schedule of working hours is changed, the changes will be discussed with the appropriate steward of the Alliance if the change will affect a majority of the employees governed by the schedule.

25.03 Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

Day work

25.04 Except as provided for in clause 25.09:

- a. the normal work week shall be thirty-seven decimal five (37.5) hours,
- b. from Monday to Friday inclusive,

- and

- d. shall be scheduled to fall within a nine (9) hour period between the hours of 06:00 and 18:00, unless otherwise agreed in consultation between the Alliance and the Employer at the appropriate level.

25.05 Summer and winter hours

The scheduled weekly and daily hours of work stipulated in 25.04 may be varied by the Employer, following consultation with the Alliance, to allow for summer and winter hours, provided the annual total is not changed.

25.06 Flexible hours

Subject to operational requirements as determined by the Employer from time to time, an employee shall have the right to select and request flexible hours between 06:00 and 18:00 and such request shall not be unreasonably denied.

25.07 Variable hours

- a. Notwithstanding the provisions of this article, upon request of an employee and the concurrence of the Employer, an employee may complete his or her weekly hours of employment in a period other than five (5) full days provided that over a period of twenty-eight (28) calendar days the employee works an average of thirty-seven decimal five (37.5) hours per week. As part of the provisions of this clause, attendance reporting shall be mutually agreed between the employee and the Employer.
- b. In every twenty-eight (28) day period such an employee shall be granted days of rest on such days as are not scheduled as a normal workday for the employee.
- c. Employees covered by this clause shall be subject to the variable hours of work provisions established in clauses 25.11 to 25.14.

25.08 Rest periods

Two (2) rest periods of fifteen (15) minutes each shall be scheduled during each normal day for non-operating employees. The Employer will provide for operating employees, two (2) rest periods of fifteen (15) minutes each per full working day except on occasions when operational requirements do not permit.

- a. Normal hours of work shall be scheduled so that employees work:
 - i. an average of thirty-seven decimal five (37.5) hours per week and an average of five (5) days per week;
 - and
 - ii. seven decimal five (7.5) hours per day.

- b. The Employer shall make every reasonable effort to schedule a meal break of one-half (1/2) hour during each full shift which shall not constitute part of the work period. Such meal break shall be scheduled as close as possible to the midpoint of the shift, unless an alternate arrangement is agreed to at the appropriate level between the Employer and the employee. If an employee is not given a meal break scheduled in advance, all time from the commencement to the termination of the employee's full shift shall be deemed time worked.
- c. When an employee's scheduled shift does not commence and end on the same day, such shift shall be deemed for all purposes to have been entirely worked:
 - i. on the day it commenced where one-half (1/2) or more of the hours worked fall on that day;
 - or
 - ii. on the day it terminates where more than one-half (1/2) of the hours worked fall on that day.

Accordingly, the first (1st) day of rest will be deemed to start immediately after midnight of the calendar day on which the employee worked or is deemed to have worked his or her last scheduled shift; and the second (2nd) day of rest will start immediately after midnight of the employee's first (1st) day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

- d. Every reasonable effort shall be made by the Employer:
 - i. not to schedule the commencement of a shift within eight (8) hours of the completion of the employee's previous shift;
 - ii. to avoid excessive fluctuations in hours of work and to minimize changes to an employee's days of rest;
 - iii. to consider the wishes of the majority of employees concerned in the arrangement of shifts within a shift schedule;

 - i. ice observers aboard icebreakers shall work fifty-six (56) hours per week,
 - ii. upper air technicians shall work not less than five (5) hours per shift.
- g. Notwithstanding the provisions of this article, it may be operationally advantageous to implement work schedules for employees that differ from those specified in this clause. Any special arrangement may be at the request of either party and must be mutually agreed between the Employer and the majority of employees affected.

25.10 Notice of change of schedule for shift workers

If an employee is given less than seven (7) days' advance notice of a change in his or her shift schedule, the employee will receive a premium rate of time and one half (1 1/2) for work performed on the first shift changed. Subsequent shifts worked on the new schedule shall be paid for at straight time. Such employee shall retain his or her previously scheduled days of rest next following the change or if worked, such days of rest shall be compensated in accordance with the overtime provisions of this collective agreement.

**

25.11 Before the Employer changes day workers into shift workers, or changes shift workers into day workers, the Employer, in advance, will consult with the Alliance on such hours of work, and in such consultation, will show that such hours are required to meet the needs of the public and/or efficient operations.

Terms and conditions governing the administration of variable hours of work

25.12 The terms and conditions governing the administration of variable hours of work implemented pursuant to paragraphs 25.05, 25.07, and 25.09(g) are specified in clauses 25.12 to 25.15. This agreement is modified by these provisions to the extent specified herein.

25.13 Notwithstanding anything to the contrary contained in this agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this agreement.

- c. Whenever an employee changes his or her variable hours or no longer works variable hours, all appropriate adjustments will be made.

Appendix C

Memorandum of Agreement Concerning Fishery Officers in the General Technical Group, Working on Off-Shore Surveillance in the Department of Fisheries and Oceans

The Employer and the Public Service Alliance of Canada agree, for the term of this collective agreement, that Fishery Officers working on off-shore surveillance and employed with the Department of Fisheries and Oceans will work an average of nine decimal five (9.5) hours per day while in a surveillance mode.

Surveillance mode is defined as the period between the time at which a Fishery Officer on off-shore surveillance reports to his or her surveillance duty station and the time at which the Fishery Officer leaves his or her surveillance duty station. Off-shore surveillance may be conducted by vessel or aircraft. Surveillance mode may be terminated due to delays in departure or early return.

The normal overtime provisions of the collective agreement will apply to these Officers with the following exceptions:

- a.
 - i. Employees shall receive thirty-seven decimal five (37.5) hours pay at the straight-time rate per week while in a surveillance mode. All overtime earned and all compensation earned for work on a designated holiday shall accumulate as compensatory leave. The compensatory leave earned while in a surveillance mode shall be liquidated immediately after their return from surveillance mode unless management deems this impractical due to operational requirements.
 - ii. Seventy-five (75) hours of compensatory leave shall be held in a bank to ensure that if an officer is unable to make a scheduled trip and there is no other work available, the officer is eligible to request compensatory leave from his or her seventy-five (75) hour bank.
 - iii. At the request of an employee and with the approval of the Employer, at any time during the fiscal year, the Employer may pay the requested compensatory leave in excess of one-hundred and fifty (150) hours in cash at the straight-time rate of pay in effect on the day on which compensatory leave is granted.
 - iv. At the end of each fiscal year, all unliquidated compensatory leave in excess of seventy-five (75) hours shall be paid in cash at the straight-time rate of pay in effect on the day on which compensatory leave is granted.
- b. In addition, if the vessel or aircraft does not depart as scheduled on a designated paid holiday or a day of rest, the reporting pay article of the collective agreement shall apply.
- c. For the purpose of accumulation of paid leave and severance pay, time spent by employees in surveillance mode shall be deemed to be seven decimal five (7.5) hours per day and/or thirty-seven decimal five (37.5) hours per week, as applicable.

- d. When an employee works on a designated paid holiday while in a surveillance mode, the employee shall be compensated, in addition to the seven decimal five (7.5) hours holiday pay the employee would have been granted had he or she not worked, at the rate of time and one-half (1 1/2) for all scheduled hours worked and double (2) time for all hours worked in excess of the scheduled hours.

Arrest mode

For the purposes of this Memorandum, “arrest mode” is defined as those situations where management has authorized a Fishery Officer on off-shore surveillance to remain on board a vessel for the purposes of maintaining continuity of evidence.

In arrest mode, the overtime provisions of 28.01(a) and (b) will apply. In calculating the entitlement, all hours for that day will be a combination of hours in surveillance mode, nine decimal five (9.5) hours and arrest mode (all remaining hours).

For the purposes of calculating the rate of pay while in arrest mode, the regular nine decimal five (9.5) hour day shall be deemed to have begun at 8:00 hours and would normally have ceased at 18:00 hours (with one-half (1/2) hour for lunch). As such, where an arrest mode is authorized after 18:00 hours, the officer would be compensated at time and one-half (1 1/2) his or her straight-time rate at the beginning of the arrest mode.

Once arrest mode is confirmed and payment at premium rates is in effect, the premium rate will remain in effect until arrest mode ceases. In a continuing arrest mode, two (2) or more days, the surveillance mode provisions will not apply for those days where arrest mode continues beyond 12:00 hours on that day.

Officers while in a surveillance mode or arrest mode shall be excluded from the following provisions of this collective agreement:

- Hours of work article
- Overtime clauses 28.02, 28.05, 28.07, 28.08, 28.09
- Travelling time article
- Shift premiums article
- Call-back pay article
- Standby article

25.09

For employees who work on a rotating or irregular basis, the normal hours of work of thirty seven decimal five (37.5) hours per week and seven decimal five (7.5) hours per day may be arranged so that employees are scheduled:

- a. to work an average of thirty-seven decimal five (37.5) hours per week;
 - b. to work over a period not exceeding sixty-three (63) days;
 - c. to work shifts of twelve (12) hours duration (except as may be otherwise agreed), where a shift is defined as the continuous duration of time between the employee's scheduled start time and the scheduled stop time;
 - d. notwithstanding the provisions of this article, it may be operationally advantageous to implement changes to the duration of a shift from those currently in place. Any such change may be advanced by either party and must be mutually agreed between the Employer and the majority of employees affected;
 - e. to work, subject to operational requirements, consecutive shifts of not more than four (4) twelve (12) hours shifts where twelve (12) hour shifts are in place;
 - f. to obtain an average of two (2) days of rest per week.
2. The Employer will make every reasonable effort:
 - a. to avoid excessive fluctuations;
 - b. to provide at least two (2) consecutive days of rest, except when days of rest are separated by a designated paid holiday that is not worked;
 - c. to consider the wishes of the majority of the employees concerned in the arrangement of shifts within a shift schedule;
 - d. to have each schedule posted at least fourteen (14) days in advance of its starting date. If an employee is given less than seven (7) days advance notice of a change in his or her shift schedule, the employee will receive a premium rate of time and one-half (1 1/2) for work performed on the first shift changed. Subsequent shifts worked on the new schedule shall be paid for at the hourly rate of pay;

- e. to provide a meal break during the employee's full shift and, where operational requirements do not permit a meal break, the employee will remain at work and eat the meal on the job.
3. Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer. Once an exchange of shifts has been approved, it will be the responsibility of the employees involved to report for duty in accordance with the approved exchange.

**

4. Employees to whom this Memorandum applies shall be subject to clauses 25.10 to 25.14 of this collective agreement.

Notwithstanding the provisions of Article 25 and Appendix G of this collective agreement, employees involved in regulating marine traffic and/or providing radio services to the marine community may, with the approval of the Employer, complete their weekly hours of employment in a period other than five (5) full days provided that over a period to be determined by the Employer, employees work an average of thirty-seven decimal five (37.5) hours per week. In every such period, employees shall be granted days of rest on days not scheduled as normal workdays for them.
2. Notwithstanding anything to the contrary contained in this collective agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this collective agreement.
3. Any hours of work arrangement in accordance with paragraph 1 of this Memorandum of Understanding may be at the request of either party and must be mutually agreed between the Employer and the majority of employees affected and shall apply to all employees at the work unit.

6. The Public Service Alliance of Canada agrees it will not support any grievances arising out of this collective agreement whose provisions are amended by this Memorandum of Understanding.

****Appendix H****Memorandum of Understanding Between the Treasury Board of Canada and the Public Service Alliance of Canada With Respect to a Joint Learning Program**

This memorandum is to give effect to the agreement reached between the Employer and the Public Service Alliance of Canada in respect of employees in the Program and Administration Services, Operational Services, Technical Services, Border Services and Education and Library Science bargaining units.

The PSAC-TBS Joint Learning Program (JLP) will continue to provide joint training on Union management issues.

The Employer agrees to provide \$330,000 per month to the PSAC-TBS JLP starting on the date of the signature of the PA collective agreement until the subsequent collective agreement is signed to ensure continuity of this initiative.

The Employer further agrees to provide funding for the purposes of a joint study in the amount of fifty thousand dollars (\$50,000) to identify the need for training of health and safety committees and the appropriate mechanism for any required training, in line with the National Joint Council (NJC) Directive.

The PSAC-TBS JLP will continue to be governed by the existing joint PSAC-TBS Steering Committee to which two seats will be added for the other bargaining agents and the equivalent additional number of employer representatives. The Bargaining Agent Side Secretary on the National Joint Council will be invited to attend the meetings of the PSAC-JLP Steering Committee with voice but no vote.

****Appendix I****Memorandum of Agreement Concerning Employees in the Engineering and Scientific Support Group in the Sea Lamprey Control Unit**

Notwithstanding the provisions of Article 25: hours of work, and Article 28: overtime, the following provisions shall apply to employees of the Sea Lamprey Control Unit of the Department of Fisheries and Oceans during the defined field season, except when their work day begins and ends within the headquarters area.

**

It is agreed that representatives of local management and duly authorized local representatives of employees may jointly devise and decide on a mutually acceptable work schedule program, which shall include a specified number of consecutive calendar days of work in the field followed by a combination of days of rest and compensatory leave earned during the period of field duty. The schedule will not contain the hours of work on each day and the starting and quitting times shall be determined according to operational requirements on a daily basis except that the normal daily hours of work shall be consecutive, with the exception of a lunch break, and not in excess of seven decimal five (7.5) hours and, accordingly, clause 25.10 shall not apply.

Such a work schedule shall normally not exceed a combination of twenty (20) consecutive calendar days of work and eight (8) days of rest and compensatory leave. Should local management decide that operational requirements require an extension of the twenty (20) calendar days of work [up to a maximum of seven (7) calendar days] in order to preclude another trip to the area, the appropriate number of additional days shall be worked and the days of rest and compensatory leave extended as required.

Overtime shall be compensated in accordance with this collective agreement and shall be taken as compensatory leave at times convenient to both the employee and the Employer.

Seasonal employees may, at their option, remain on strength until they have exhausted such compensatory leave, have such leave paid in full at the end of the field season, or carry over such leave in accordance with paragraph 28.02(d).

Appendix M

Hours of Work for Employees in the Primary Products Inspection (PI) Group

25.01 An employee's scheduled hours of work shall not be construed as guaranteeing the employee minimum or maximum hours of work.

25.02 The Employer agrees that, before a schedule of working hours is changed, the changes will be discussed with the appropriate steward of the Alliance if the change will affect a majority of the employees governed by the schedule.

25.03 Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

25.04 Except as provided for in clause 25.05, the normal workweek shall be thirty-seven decimal five (37.5) hours exclusive of lunch periods, comprising five (5) days of seven decimal five (7.5) hours each, Monday to Friday. The workday shall be scheduled to fall within an eight (8) hour period where the lunch period is one-half (1/2) hour or within an eight decimal five (8.5) hour period where the lunch period is more than one half (1/2) hour and not more than one (1) hour. Such work periods shall be scheduled between the hours of 06:00 and 18:00 unless otherwise agreed in consultation with the Alliance and the Employer at the appropriate level.

25.05 For employees who work on a rotating or irregular basis:

- a. normal hours of work shall be scheduled so that employees work:
 - i. an average of thirty-seven decimal five (37.5) hours per week and an average of five (5) days per week;

and
 - ii. either seven decimal five (7.5) hours per day;

or
 - iii. an average of seven decimal five (7.5) hours per day where so agreed between the Employer and the majority of the employees affected;
 - iv. subject to the operational requirements of the service, an employee's days of rest shall be consecutive and not less than two (2).
- b. Every reasonable effort shall be made by the Employer:
 - i. not to schedule the commencement of a shift within twelve (12) hours of the completion of the employee's previous shift;
 - ii. to avoid excessive fluctuations in hours of work;
 - iii. to consider the wishes of the majority of employees concerned in the arrangement of shifts within a shift schedule;
 - iv. to arrange shifts over a period of time not exceeding two (2) months and to post schedules at least seven (7) days in advance of the starting date of the new schedule.

25.06 Notwithstanding the provisions of this article, upon request of an employee and the concurrence of the Employer, an employee may complete his or her weekly hours of employment in a period other than five (5) full days provided that over a period of twenty-eight (28) calendar days the employee works an average of thirty-seven decimal five (37.5) hours per week. As part of the provisions of this clause, attendance reporting shall be mutually agreed between the employee and the Employer. In every twenty-eight (28) day period such an employee shall be granted days of rest on such days as are not scheduled as a normal workday for the employee.

25.07 The Employer shall make every reasonable effort to schedule a meal break of at least one-half (1/2) hour during each full shift which shall not constitute part of the work period. Such meal break shall be scheduled as close as possible to the mid-point of the shift, unless an alternate arrangement is agreed to at the appropriate level between the Employer and the employee. If an employee is not given a meal break scheduled in advance, all time from the commencement to the termination of the employee's full shift shall be deemed time worked.

25.08 When an employee's scheduled shift does not commence and end on the same day, such shift shall be considered for all purposes to have been entirely worked:

- a. on the day it commenced where one-half (1/2) or more of the hours worked fall on that day;
- or
- b. on the day it terminates where more than one-half (1/2) of the hours worked fall on that day.

Accordingly, the first (1st) day of rest will be considered to start immediately after midnight of the calendar day on which the employee worked or is considered to have worked his or her last scheduled shift; and the second (2nd) day of rest will start immediately after midnight of the employee's first (1st) day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

25.09 Two (2) rest periods of fifteen (15) minutes each shall be scheduled during each normal working day.

25.10 If an employee is given less than seven (7) days' advance notice of a change in that employee's shift schedule, the employee will receive a premium rate of time and one-half (1 1/2) for work performed on the first (1st) shift changed. Subsequent shifts worked on the new schedule shall be paid for at straight time.

25.12 Notwithstanding anything to the contrary contained in this agreement, the implementation of any variation in hours shall not result in any additional overtime work or additional payment by reason only of such variation, nor shall it be deemed to prohibit the right of the Employer to schedule any hours of work permitted by the terms of this agreement.

25.13

- a. The scheduled hours of work of any day, may exceed or be less than seven decimal five (7.5) hours; starting and finishing times, meal breaks and rest periods shall be determined according to operational requirements as determined by the Employer and the daily hours of work shall be consecutive.

- e. If an employee is granted sessional leave in advance and, at the end of the fiscal year, has been granted more leave of this type than earned, the maximum number of days referred to in paragraph (b) shall be reduced accordingly.

2. Exclusions

The provisions of Part III of this agreement, except for clauses 32.01 to 32.03 and 32.08, do not apply to employees who receive sessional leave in accordance with this Memorandum.

Objectives

It is the policy of the Employer to maximize employment opportunities for indeterminate employees affected by workforce adjustment situations, primarily through ensuring that, wherever possible, alternative employment opportunities are provided to them. This should not be construed as the continuation of a specific position or job but rather as continued employment.

To this end, every indeterminate employee whose services will no longer be required because of a workforce adjustment situation and for whom the deputy head knows or can predict that employment will be available will receive a guarantee of a reasonable job offer within the core public administration. Those employees for whom the deputy head cannot provide the guarantee will have access to transitional employment arrangements (as per Parts VI and VII).

Part I: roles and responsibilities

1.1 Departments or organizations

1.1.1 Since indeterminate employees who are affected by workforce adjustment situations are not themselves responsible for such situations, it is the responsibility of departments or organizations to ensure that they are treated equitably and, whenever possible, given every reasonable opportunity to continue their careers as public service employees.

1.1.2 Departments or organizations shall carry out effective human resource planning to minimize the impact of workforce adjustment situations on indeterminate employees, on the department or organization, and on the public service.

**

1.1.3 Departments or organizations shall establish joint workforce adjustment committees, where appropriate, to advise and consult on the workforce adjustment situations within the department

or organization. Terms of reference of such committees shall include a process for addressing alternation requests from other departments and/or organizations.

1.1.4 Departments or organizations shall, as the home department or organization, cooperate with the PSC and appointing departments or organizations in joint efforts to redeploy departmental or organizational surplus employees and laid-off persons.

1.1.5 Departments or organizations shall establish systems to facilitate redeployment or retraining of their affected employees, surplus employees, and laid-off persons.

1.1.6 When a deputy head determines that the services of an employee are no longer required beyond a specified date due to lack of work or discontinuance of a function, the deputy head shall advise the employee, in writing, that his or her services will no longer be required.

Such a communication shall also indicate if the employee:

- a. is being provided with a guarantee from the deputy head that a reasonable job offer will be forthcoming and that the employee will have surplus status from that date on; or
- b. is an opting employee and has access to the options set out in section 6.3 of this Appendix because the employee is not in receipt of a guarantee of a reasonable job offer from the deputy head.

Where applicable, the communication should also provide the information relative to the employee's possible lay-off date.

1.1.7 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those employees subject to workforce adjustment for whom they know or can predict that employment will be available in the core public administration.

1.1.8 Where a deputy head cannot provide a guarantee of a reasonable job offer, the deputy head will provide one hundred and twenty (120) days to consider the three options outlined in Part VI of this Appendix to all opting employees before a decision is required of them. If the employee fails to select an option, the employee will be deemed to have selected Option (a), twelve (12) month surplus priority period in which to secure a reasonable job offer.

1.1.9 The deputy head shall make a determination to provide either a guarantee of a reasonable job offer or access to the options set out in section 6.3 of this Appendix upon request by any indeterminate affected employee who can demonstrate that his or her duties have already ceased to exist.

1.1.10 Departments or organizations shall send written notice to the PSC of an employee's surplus status, and shall send to the PSC such details, forms, resumés, and other material as the PSC may from time to time prescribe as necessary for it to discharge its function.

1.1.11 Departments or organizations shall advise and consult with the Alliance representatives as completely as possible regarding any workforce adjustment situation as soon as possible after the decision has been made and throughout the process and will make available to the Alliance the name and work location of affected employees.

1.1.12 The home department or organization shall provide the PSC with a statement that it would be prepared to appoint the surplus employee to a suitable position in the department or organization commensurate with his or her qualifications if such a position were available.

1.1.13 Departments or organizations shall provide the employee with the official notification that he or she has become subject to a workforce adjustment and shall remind the employee that Appendix T: workforce adjustment, of this agreement applies.

1.1.14 Deputy heads shall apply this Appendix so as to keep actual involuntary lay-offs to a minimum, and a lay-off shall normally occur only when an individual has refused a reasonable job offer, is not mobile, cannot be retrained within two (2) years, or is laid off at his or her own request.

1.1.15 Departments or organizations are responsible for counselling and advising their affected employees on their opportunities for finding continuing employment in the public service.

1.1.16 Appointment of surplus employees to alternative positions with or without retraining shall normally be at a level equivalent to that previously held by the employee, but this does not preclude appointment to a lower level. Departments or organizations shall avoid appointment to a lower level except where all other avenues have been exhausted.

1.1.17 Home departments or organizations shall appoint as many of their own surplus employees or laid-off persons as possible or identify alternative positions (both actual and anticipated) for which individuals can be retrained.

1.1.18 Home departments or organizations shall relocate surplus employees and laid-off individuals, if necessary.

1.1.19 Relocation of surplus employees or laid-off persons shall be undertaken when the individuals indicate that they are willing to relocate and relocation will enable their redeployment or reappointment, provided that:

- a. there are no available priority persons, or priority persons with a higher priority, qualified and interested in the position being filled;
or
- b. there are no available local surplus employees or laid-off persons who are interested and who could qualify with retraining.

1.1.20 The cost of travelling to interviews for possible appointments and of relocation to the new location shall be borne by the employee's home department or organization. Such cost shall be consistent with the Travel Directive and NJC Integrated Relocation Directive.

1.1.21 For the purposes of the NJC Integrated Relocation Directive, surplus employees and laid-off persons who relocate under this Appendix shall be deemed to be employees on employer-requested relocations. The general rule on minimum distances for relocation applies.

1.1.22 For the purposes of the Travel Directive, a laid-off persons travelling to interviews for possible reappointment to the core public administration are deemed to be a “traveller” as defined in the Travel Directive.

1.1.23 For the surplus and/or lay-off priority periods, home departments or organizations shall pay the salary, salary protection and/or termination costs as well as other authorized costs such as tuition, travel, relocation and retraining for surplus employees and laid-off persons, as provided for in this agreement and the various directives unless the appointing department or organization is willing to absorb these costs in whole or in part.

1.1.24 Where a surplus employee is appointed by another department or organization to a term position, the home department or organization is responsible for the costs above for one (1) year from the date of such appointment, unless the home department or organization agree to a longer period, after which the appointing department or organization becomes the new home department or organization consistent with PSC authorities.

1.1.25 Departments or organizations shall protect the indeterminate status and surplus priority of a surplus indeterminate employee appointed to a term position under this Appendix.

1.1.26 Departments or organizations shall inform the PSC in a timely fashion, and in a method directed by the PSC, of the results of all referrals made to them under this Appendix.

**

Where practicable, departments or organizations shall refrain from engaging or re-engaging such temporary agency personnel, consultants or contractors, and their use of contracted out services, or renewing the employment of such employees referred to above where this will facilitate the appointment of surplus employees or laid-off persons.

1.1.28 Nothing in the foregoing shall restrict the Employer’s right to engage or appoint persons to meet short-term, non-recurring requirements. Surplus and laid-off persons shall be given priority even for these short-term work opportunities.

1.1.29 Departments or organizations may lay off an employee at a date earlier than originally scheduled when the surplus employee so requests in writing.

1.1.30 Departments or organizations acting as appointing departments or organizations shall cooperate with the PSC and other departments or organizations in accepting, to the extent possible, affected, surplus and laid-off persons from other departments or organizations for appointment or retraining.

**

1.1.31 Departments or organizations shall provide surplus employees with a lay-off notice at least one (1) month before the proposed lay-off date if appointment efforts have been unsuccessful. A copy of this notice shall be provided to the National President of the Alliance.

1.1.32 When a surplus employee refuses a reasonable job offer, he or she shall be subject to lay-off one (1) month after the refusal, but not before six (6) months have elapsed since the surplus declaration date. The provisions of Annex C of this Appendix shall continue to apply.

1.1.33 Departments or organizations are to presume that each employee wishes to be redeployed unless the employee indicates the contrary in writing.

1.1.34 Departments or organizations shall inform and counsel affected and surplus employees as early and as completely as possible and, in addition, shall assign a counsellor to each opting and surplus employee and laid-off person, to work with him or her throughout the process. 1.3.2 The PSC will, in accordance with the Privacy Act:

- a. provide the Treasury Board Secretariat with information related to the administration of priority entitlements which may reflect on departments' or organizations' level of compliance with this directive; and
- b. provide information to the bargaining agents on the numbers and status of their members in the Priority Information Management System, as well as information on the overall system.

1.3.3 The PSC's roles and responsibilities flow from its governing legislation, not the collective agreement. As such, any changes made to these roles/responsibilities must be agreed upon by the Commission. 3.1.3 Employees relocating with their work units shall be treated in accordance with the provisions of 1.1.18 to 1.1.22.

3.1.4 Although departments or organizations will endeavour to respect employee location preferences, nothing precludes the department or organization from offering a relocated position to an employee in receipt of a guarantee of a reasonable job offer from his or her deputy head, after having spent as much time as operations permit looking for a reasonable job offer in the employee's location preference area.

3.1.5 Employees who are not in receipt of a guarantee of a reasonable job offer shall become opting employees and have access to the options in Part VI of this Appendix.

Part IV: retraining

4.1 General

4.2 Surplus employees

4.2.4 While on retraining, a surplus employee continues to be employed by the home department or organization and is entitled to be paid in accordance with his or her current appointment unless the appointing department or organization is willing to appoint the employee indeterminately, on condition of successful completion of retraining, in which case the retraining plan shall be included in the letter of offer.

4.2.5 When a retraining plan has been approved and the surplus employee continues to be employed by the home department or organization, the proposed lay-off date shall be extended to the end of the retraining period, subject to 4.2.3.

4.2.6 An employee unsuccessful in retraining may be laid off at the end of the surplus period if the Employer has been unsuccessful in making the employee a reasonable job offer.

If the individual accepts the conditional offer, he or she will be appointed on an indeterminate basis to the full level of the position after having successfully completed training and being assessed as qualified for the position. When an individual accepts an appointment to a position with a lower maximum rate of pay than the position from which he or she was laid off, the employee will be salary-protected in accordance with Part V.

Part V: salary protection

5.1 Lower-level position

5.1.1 Surplus employees and laid-off persons appointed to a lower-level position under this Appendix shall have their salary and pay equity equalization payments, if any, protected in

A deputy head who cannot provide such a guarantee shall provide his or her reasons in writing, if so requested by the employee. Employees in receipt of this guarantee will not have access to the choice of options below.

6.1.2 Employees who are not in receipt of a guarantee of a reasonable job offer from their deputy head have one hundred and twenty (120) days to consider the three options below before a decision is required of them.

6.1.3 The opting employee must choose, in writing, one (1) of the three (3) options of section 6.4 of this Appendix within the one hundred and twenty (120) day window. The employee cannot change options once he or she has made a written choice.

6.1.4 If the employee fails to select an option, the employee will be deemed to have selected Option (a), twelve (12) month surplus priority period in which to secure a reasonable job offer, at the end of the one hundred and twenty (120) day window.

6.1.5 If a reasonable job offer which does not require relocation is made at any time during the one hundred and twenty (120) day opting period and prior to the written acceptance of the Transition Support Measure (TSM) or education allowance option, the employee is ineligible for the TSM, the pay in lieu of unfulfilled surplus period or the education allowance.

6.3 Alternation

6.3.1 All departments or organizations must participate in the alternation process.

6.3.2 An alternation occurs when an opting employee who wishes to remain in the core public administration exchanges positions with a non-affected employee (the alternate) willing to leave the core public administration under the terms of Part VI of this Appendix.

**

6.3.3

- a. Only opting and surplus employees who are surplus as a result of having chosen Option A may alternate into an indeterminate position that remains in the core public administration.
- b. If an alternation is proposed for a surplus employee, as opposed to an opting employee, the Transition Support Measure that is available to the alternate under 6.4.1 (b) or 6.4.1 (c) (i) shall be reduced by one (1) week for each completed week between the beginning of the employee's surplus priority period and the date the alternation is proposed.

6.3.4 An indeterminate employee wishing to leave the core public administration may express an interest in alternating with an opting employee. Management will decide, however, whether a proposed alternation is likely to result in retention of the skills required to meet the ongoing needs of the position and the core public administration.

6.3.5 An alternation must permanently eliminate a function or a position.

6.3.6 The opting employee moving into the unaffected position must meet the requirements of the position, including language requirements. The alternate moving into the opting position must meet the requirements of the position except if the alternate will not be performing the duties of the position and the alternate will be struck off strength within five (5) days of the alternation.

6.3.7 An alternation should normally occur between employees at the same group and level. When the two (2) positions are not in the same group and at the same level, alternation can still occur when the positions can be considered equivalent. They are considered equivalent when the maximum rate of pay for the higher paid position is no more than six-per-cent (6%) higher than the maximum rate of pay for the lower-paid position.

6.3.8 An alternation must occur on a given date, that is, the two (2) employees must directly exchange positions on the same day. There is no provision in alternation for a “domino” effect or for “future considerations.”

**

For clarity, the alternation will not be denied solely as a result of untimely administrative processes.

6.4 Options

6.4.1 Only opting employees who are not in receipt of the guarantee of a reasonable job offer from the deputy head will have access to the choice of options below:

- a.
 - i. Twelve (12) month surplus priority period in which to secure a reasonable job offer. It is time-limited. Should a reasonable job offer not be made within a period of twelve (12) months, the employee will be laid off in accordance with the Public Service Employment Act. Employees who choose or are deemed to have chosen this option are surplus employees.
 - ii. At the request of the employee, this twelve (12) month surplus priority period shall be extended by the unused portion of the one hundred and twenty (120) day opting period referred to in 6.1.2 which remains once the employee has selected in writing Option (a).
 - iii. When a surplus employee who has chosen or is deemed to have chosen Option (a) offers to resign before the end of the twelve (12) month surplus priority period, the deputy head may authorize a lump-sum payment equal to the surplus employee’s regular pay for the balance of the surplus period, up to a maximum of six (6) months. The amount of the lump-sum payment for the pay in lieu cannot exceed the maximum of what he or she would have received had he or she chosen Option (b), the Transition Support Measure.

- iv. Departments or organizations will make every reasonable effort to market a surplus employee within the employee's surplus period within his or her preferred area of mobility.
or

**

- b. Transition support measure (TSM) is a cash payment, based on the employee's years of service in the public service (see Annex B), made to an opting employee. Employees choosing this option must resign but will be considered to be laid off for purposes of severance pay. The TSM shall be paid in one (1) or two (2) lump sum amounts over a maximum two (2) year period.
or

**

- c. Education allowance is a Transition Support Measure (see Option (b) above) plus an amount of not more than fifteen thousand dollars (\$15,000) for reimbursement of receipted expenses of an opting employee for tuition from a learning institution and costs of books and relevant equipment. Employees choosing Option (c) could either:
 - i. resign from the core public administration but be considered to be laid off for severance pay purposes on the date of their departure;
or
 - ii. delay their departure date and go on leave without pay for a maximum period of two (2) years while attending the learning institution. The TSM shall be paid in one (1) or two (2) lump-sum amounts over a maximum two (2)-year period. During this period, employees could continue to be public service benefit plan members and contribute both employer and employee shares to the benefits plans and the Public Service Superannuation Plan. At the end of the two (2)-year leave without pay period, unless the employee has found alternative employment in the core public administration, the employee will be laid off in accordance with the Public Service Employment Act.

6.4.2 Management will establish the departure date of opting employees who choose Option (b) or Option (c) above.

6.4.3 The TSM, pay in lieu of unfulfilled surplus period, and the education allowance cannot be combined with any other payment under the Workforce Adjustment Appendix.

6.4.4 In cases of pay in lieu of unfulfilled surplus period, Option (b) and Option (c)(i), the employee relinquishes any priority rights for reappointment upon the Employer's acceptance of his or her resignation.

6.4.5 Employees choosing Option (c)(ii) who have not provided their department or organization with a proof of registration from a learning institution twelve (12) months after starting their leave without pay period will be deemed to have resigned from the core public administration and be considered to be laid off for purposes of severance pay.

**

6.4.6 All opting employees will be entitled to up to one thousand dollars (\$1,000) towards counselling services in respect of their potential re-employment or retirement. Such counselling services may include financial and job placement counselling services.

**

6.4.7 An opting employee who has received a TSM, pay in lieu of unfulfilled surplus period, or an education allowance, and is reappointed to the public service shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of such reappointment or hiring to the end of the original period for which the TSM or education allowance was paid.

6.4.8 Notwithstanding 6.4.7, an opting employee who has received an education allowance will not be required to reimburse tuition expenses and costs of books and mandatory equipment for which he or she cannot get a refund.

6.4.9 The deputy head shall ensure that pay in lieu of unfulfilled surplus period is only authorized where the employee's work can be discontinued on the resignation date and no additional costs will be incurred in having the work done in any other way during that period.

6.4.10 If a surplus employee who has chosen or is deemed to have chosen Option (a) refuses a reasonable job offer at any time during the twelve (12) month surplus priority period, the employee is ineligible for pay in lieu of unfulfilled surplus period.

6.4.11 Approval of pay in lieu of unfulfilled surplus period is at the discretion of management, but shall not be unreasonably denied.

6.5 Retention payment

6.5.1 There are three (3) situations in which an employee may be eligible to receive a retention payment. These are total facility closures, relocation of work units and alternative delivery initiatives.

6.5.2 All employees accepting retention payments must agree to leave the core public administration without priority rights.

6.5.3 An individual who has received a retention payment and, as applicable, either is reappointed to that portion of the core public administration specified from time to time in Schedules I and IV of the Financial Administration Act or is hired by the new employer within the six (6) months immediately following his or her resignation shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of such reappointment or hiring to the end of the original period for which the lump sum was paid.

6.5.4 The provisions of 6.5.5 shall apply in total facility closures where public service jobs are to cease and:

- a. such jobs are in remote areas of the country;
or
- b. retraining and relocation costs are prohibitive;
or
- c. prospects of reasonable alternative local employment (whether within or outside the core public administration) are poor.

6.5.5 Subject to 6.5.4, the deputy head shall pay to each employee who is asked to remain until closure of the work unit and offers a resignation from the core public administration to take effect on that closure date, a sum equivalent to six (6) months' pay payable on the day on which the departmental or organizational operation ceases, provided the employee has not separated prematurely.

6.5.6 The provisions of 6.5.7 shall apply in relocation of work units where core public administration work units:

- a. are being relocated;
and
- b. the deputy head of the home department or organization decides that, in comparison to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of workplace relocation;
and
- c. the employee has opted not to relocate with the function.

6.5.7 Subject to 6.5.6, the deputy head shall pay to each employee who is asked to remain until the relocation of the work unit and who offers a resignation from the core public administration to take effect on the relocation date, a sum equivalent to six (6) months' pay payable on the day on which the departmental or organizational operation relocates, provided the employee has not separated prematurely.

6.5.8 The provisions of 6.5.9 shall apply in alternative delivery initiatives:

- a. where the core public administration work units are affected by alternative delivery initiatives;
- b. when the deputy head of the home department or organization decides that, compared to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of the transfer to the new employer
and
- c. where the employee has not received a job offer from the new employer or has received an offer and did not accept it.

6.5.9 Subject to 6.5.8, the deputy head shall pay to each employee who is asked to remain until the transfer date and who offers a resignation from the core public administration to take effect on the transfer date, a sum equivalent to six (6) months' pay payable upon the transfer date, provided the employee has not separated prematurely.

Part VII: special provisions regarding alternative delivery initiatives

Preamble

The administration of the provisions of this part will be guided by the following principles:

- a. fair and reasonable treatment of employees;
- b. value for money and affordability;
- and
- c. maximization of employment opportunities for employees.

7.1 Definitions

For the purposes of this part, an **alternative delivery initiative** (diversification des modes de prestation des services) is the transfer of any work, undertaking or business of the core public administration to any body or corporation that is a separate agency or that is outside the core public administration.

For the purposes of this part, a **reasonable job offer** (offre d'emploi raisonnable) is an offer of employment received from a new employer in the case of a Type 1 or Type 2 transitional employment arrangement, as determined in accordance with 7.2.2.

For the purposes of this part, a **termination of employment** (licenciement de l'employé-e) is the termination of employment referred to in paragraph 12(1)(f.1) of the Financial Administration Act.

7.2 General

Departments or organizations will, as soon as possible after the decision is made to proceed with an alternative delivery initiative (ADI), and if possible, not less than one hundred and eighty (180) days prior to the date of transfer, provide notice to the Alliance component(s) of its intention.

The notice to the Alliance component(s) will include:

- a. the program being considered for ADI;
- b. the reason for the ADI;
- and
- c. the type of approach anticipated for the initiative.

A joint Work Force Adjustment-Alternative Delivery Initiative (WFA-ADI) committee will be created for ADI and will have equal representation from the department or organization and the component(s). By mutual agreement, the committee may include other participants. The joint WFA-ADI committee will define the rules of conduct of the committee.

In cases of ADI, the parties will establish a joint WFA-ADI committee to conduct meaningful consultation on the human resources issues related to the ADI in order to provide information to the employee which will assist him or her in deciding on whether or not to accept the job offer.

1. Commercialization

In cases of commercialization where tendering will be part of the process, the members of the joint WFA-ADI committee shall make every reasonable effort to come to an agreement on the criteria related to human resources issues (for example, terms and conditions of employment, pension and health care benefits, the take-up number of employees) to be included in the request for proposal process. The committee will respect the contracting rules of the federal government.

2. Creation of a new agency

In cases of the creation of new agencies, the members of the joint WFA-ADI committee shall make every reasonable effort to agree on common recommendations related to human resources issues (for example, terms and conditions of employment, pension, and health care benefits) that should be available at the date of transfer.

3. Transfer to existing employers

In all other ADI where an employer-employee relationship already exists, the parties will hold meaningful consultations to clarify the terms and conditions that will apply upon transfer.

In cases of commercialization and the creation of new agencies, consultation opportunities will be given to the component(s); however, in the event that agreements are not possible, the department may still proceed with the transfer.

7.2.1 The provisions of this part apply only in the case of alternative delivery initiatives and are in exception to other provisions of this Appendix. Employees who are affected by alternative delivery initiatives and who receive job offers from the new employer shall be treated in accordance with the provisions of this part, and only where specifically indicated will other provisions of this Appendix apply to them.

7.2.2 There are three (3) types of transitional employment arrangements resulting from alternative delivery initiatives:

a. Type 1: full continuity

Type-1 arrangements meet all of the following criteria:

- i. legislated successor rights apply; specific conditions for successor rights applications will be determined by the labour legislation governing the new employer;

**

- ii. the Public Service Terms and Conditions of Employment Regulations, the terms of the collective agreement referred to therein and/or the applicable

compensation plan will continue to apply to unrepresented and excluded employees until modified by the new employer or by the PSLREB pursuant to a successor rights application;

**

- iii. recognition of continuous employment, as defined in the Directive on Terms and Conditions of Employment, for purposes of determining the employee's entitlements under the collective agreement continued due to the application of successor rights;
 - iv. pension arrangements according to the Statement of Pension Principles set out in Annex A or, in cases where the test of reasonableness set out in that Statement is not met, payment of a lump sum to employees pursuant to 7.7.3;
 - v. transitional employment guarantee: a two (2)-year minimum employment guarantee with the new employer;
 - vi. coverage in each of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;
 - vii. short-term disability bridging: recognition of the employee's earned but unused sick leave credits up to the maximum of the new employee's LTDI waiting period.
- b. Type 2: substantial continuity
Type-2 arrangements meet all of the following criteria:
- i. the average new hourly salary offered by the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-five per cent (85%) or greater of the group's current federal hourly remuneration (= pay + equal pay adjustments + supervisory differential) when the hours of work are the same;
 - ii. the average annual salary of the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-five per cent (85%) or greater of federal annual remuneration (= per cent or greater of federal annual remuneration (= pay + equal pay adjustments + supervisory differential) when the hours of work are different;
 - iii. pension arrangements according to the Statement of Pension Principles as set out in Annex A or, in cases where the test of reasonableness set out in that Statement is not met, payment of a lump sum to employees pursuant to 7.7.3;
 - iv. transitional employment guarantee: employment tenure equivalent to that of the permanent workforce in receiving organizations or a two (2)-year minimum employment guarantee;
 - v. coverage in each area of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;
 - vi. short-term disability arrangement.
- c. Type 3: lesser continuity
A Type-3 arrangement is any alternative delivery initiative that does not meet the criteria applying in Type-1 and Type-2 transitional employment arrangements.

7.2.3 For Type-1 and Type-2 transitional employment arrangements, the offer of employment from the new employer will be deemed to constitute a reasonable job offer for purposes of this part.

7.2.4 For Type-3 transitional employment arrangements, an offer of employment from the new employer will not be deemed to constitute a reasonable job offer for purposes of this part.

7.3 Responsibilities

7.3.1 Deputy heads will be responsible for deciding, after considering the criteria set out above, which of the types applies in the case of particular alternative delivery initiatives.

7.3.2 Employees directly affected by alternative delivery initiatives are responsible for seriously considering job offers made by new employers and advising the home department or organization of their decision within the allowed period.

7.4 Notice of alternative delivery initiatives

7.4.1 Where alternative delivery initiatives are being undertaken, departments or organizations shall provide written notice to all employees offered employment by the new employer, giving them the opportunity to choose whether or not they wish to accept the offer.

7.4.2 Following written notification, employees must indicate within a period of sixty (60) days their intention to accept the employment offer, except in the case of Type-3 arrangements, where home departments or organizations may specify a period shorter than sixty (60) days, but not less than thirty (30) days.

7.5 Job offers from new employers

7.5.1 Employees subject to this Appendix (see Application) and who do not accept the reasonable job offer from the new employer in the case of Type-1 or Type-2 transitional employment arrangements will be given four (4) months' notice of termination of employment and their employment will be terminated at the end of that period or on a mutually agreed-upon date before the end of the four (4)-month notice period, except where the employee was unaware of the offer or incapable of indicating an acceptance of the offer.

7.5.2 The deputy head may extend the notice-of-termination period for operational reasons, but no such extended period may end later than the date of the transfer to the new employer.

7.5.3 Employees who do not accept a job offer from the new employer in the case of Type-3 transitional employment arrangements may be declared opting or surplus by the deputy head in accordance with the provisions of the other parts of this Appendix.

7.5.4 Employees who accept a job offer from the new employer in the case of any alternative delivery initiative will have their employment terminated on the date on which the transfer becomes effective, or on another date that may be designated by the home department or

organization for operational reasons, provided that this does not create a break in continuous service between the Core Public administration and the new employer.

7.6 Application of other provisions of the Appendix

7.6.1 For greater certainty, the provisions of Part II: official notification, and section 6.5: retention payment, will apply in the case of an employee who refuses an offer of employment in the case of a Type-1 or Type-2 transitional employment arrangement. A payment under section 6.5 may not be combined with a payment under the other section.

7.7 Lump-sum payments and salary top-up allowances

7.7.1 Employees who are subject to this Appendix (see Application) and who accept the offer of employment from the new employer in the case of Type-2 transitional employment arrangements will receive a sum equivalent to three months' pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees an eighteen (18) month salary top-up allowance equivalent to the difference between the remuneration applicable to their Core Public administration position and the salary applicable to their position with the new employer. This allowance will be paid as a lump sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.2 In the case of individuals who accept an offer of employment from the new employer in the case of a Type-2 arrangement and whose new hourly or annual salary falls below eighty per cent (80%) of their former federal hourly or annual remuneration, departments or organizations will pay an additional six (6) months of salary top-up allowance for a total of twenty-four (24) months under this section and 7.7.1. The salary top-up allowance equivalent to the difference between the remuneration applicable to their Core Public administration position and the salary applicable to their position with the new employer will be paid as a lump sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.3 Employees who accept the reasonable job offer from the successor employer in the case of Type-1 or Type-2 transitional employment arrangements where the test of reasonableness referred to in the Statement of Pension Principles set out in Annex A is not met, that is, where the actuarial value (cost) of the new employee's pension arrangements is less than six decimal five per cent (6.5%) of pensionable payroll (excluding the employee's costs related to the administration of the plan), will receive a sum equivalent to three (3) months' pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.4 Employees who accept an offer of employment from the new employer in the case of Type-3 transitional employment arrangements will receive a sum equivalent to six (6) months' pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees a twelve (12) month salary top-up allowance equivalent to the difference between the

remuneration applicable to their core public administration position and the salary applicable to their position with the new employer. The allowance will be paid as a lump sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The total of the lump-sum payment and the salary top-up allowance provided under this section will not exceed an amount equivalent to one (1) year's pay.

7.7.5 For the purposes of 7.7.1, 7.7.2 and 7.7.4, the term "remuneration" includes and is limited to salary plus equal pay adjustments, if any, and supervisory differential, if any.

7.8 Reimbursement

7.8.1 An individual who receives a lump-sum payment and salary top-up allowance pursuant to 7.7.1, 7.7.2, 7.7.3 or 7.7.4 and who is reappointed to that portion of the core public administration specified from time to time in Schedules I and IV of the Financial Administration Act at any point during the period covered by the total of the lump-sum payment and salary top-up allowance, if any, shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of reappointment to the end of the original period covered by the total of the lump-sum payment and salary top-up allowance, if any.

7.8.2 An individual who receives a lump-sum payment pursuant to 7.6.1 and, as applicable, is either reappointed to that portion of the core public administration specified from time to time in Schedules I and IV of the Financial Administration Act or hired by the new employer at any point covered by the lump-sum payment, shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of the reappointment or hiring to the end of the original period covered by the lump-sum payment.

7.9 Vacation leave credits and severance pay

7.9.1 Notwithstanding the provisions of this agreement concerning vacation leave, an employee who accepts a job offer pursuant to this part may choose not to be paid for earned but unused vacation leave credits, provided that the new employer will accept these credits.

7.9.2 Notwithstanding the provisions of this agreement concerning severance pay, an employee who accepts a reasonable job offer pursuant to this part will not be paid severance pay where successor rights apply and/or, in the case of a Type-2 transitional employment arrangement, when the new employer recognizes the employee's years of continuous employment in the public service for severance pay purposes and provides severance pay entitlements similar to the employee's severance pay entitlements at the time of the transfer.

**

However, an employee who has a severance termination benefit entitlement under the terms of Article 24.05(b) or (c) of Appendix Y shall be paid this entitlement at the time of transfer.

7.9.3 Where:

- a. the conditions set out in 7.9.2 are not met,

- b. the severance provisions of this agreement are extracted from this agreement prior to the date of transfer to another non-federal public sector employer,
- c. the employment of an employee is terminated pursuant to the terms of 7.5.1,
or
- d. the employment of an employee who accepts a job offer from the new employer in a Type-3 transitional employment arrangement is terminated on the transfer of the function to the new employer,

the employee shall be deemed, for purposes of severance pay, to be involuntarily laid off on the day on which employment in the core public administration terminates.

Annex A: statement of pension principles

1. The new employer will have in place, or Her Majesty in right of Canada will require the new employer to put in place, reasonable pension arrangements for transferring employees. The test of “reasonableness” will be that the actuarial value (cost) of the new employer pension arrangements will be at least six decimal five per cent (6.5%) of pensionable payroll, which in the case of defined-benefit pension plans will be as determined by the Assessment Methodology dated October 7, 1997, developed by Towers Perrin for the Treasury Board. This assessment methodology will apply for the duration of this agreement. Where there is no reasonable pension arrangement in place on the transfer date or no written undertaking by the new employer to put such reasonable pension arrangement in place effective on the transfer date, subject to the approval of Parliament and a written undertaking by the new employer to pay the employer costs, Public Service Superannuation Act (PSSA) coverage could be provided during a transitional period of up to a year.
2. Benefits in respect of service accrued to the point of transfer are to be fully protected.
3. Her Majesty in right of Canada will seek portability arrangements between the Public Service Superannuation Plan and the pension plan of the new employer where a portability arrangement does not yet exist. Furthermore, Her Majesty in right of Canada will seek authority to permit employees the option of counting their service with the new employer for vesting and benefit thresholds under the PSSA.

Annex C: role of PSC in administering surplus and lay-off priority entitlements

1. The PSC will refer surplus employees and laid-off persons to positions, in all departments, organizations and agencies governed by the PSEA, for which they are potentially qualified for the essential qualifications, unless the individuals have advised the PSC and their home departments or organizations in writing that they are not available for appointment. The PSC will further ensure that entitlements are respected and that priority persons are fairly and properly assessed.
2. The PSC, acting in accordance with the Privacy Act, will provide the Treasury Board Secretariat with information related to the administration of priority entitlements which may reflect on departments' or organizations' and agencies' level of compliance with this Directive.
3. The PSC will provide surplus and laid-off individuals with information on their priority entitlements.
4. The PSC will, in accordance with the Privacy Act, provide information to bargaining agents on the numbers and status of their members who are in the Priority Administration System and, on a service-wide basis.
5. The PSC will ensure that a reinstatement priority is given to all employees who are appointed to a position at a lower level.
6. The PSC will, in accordance with the Privacy Act, provide information to the Employer, departments or organizations and/or bargaining agents on referrals of surplus employees and laid-off persons in order to ensure that the priority entitlements are respected.

2. This Memorandum of Understanding shall remain in effect until amended or cancelled by mutual consent of the parties.
3. This Memorandum of Understanding supersedes the Regulations respecting Pay on Reclassification or Conversion where the Regulations are inconsistent with the Memorandum of Understanding.
4. Where the provisions of any collective agreement differ from those set out in the Memorandum of Understanding, the conditions set out in the Memorandum of Understanding shall prevail.
5. This Memorandum of Understanding will form part of all collective agreements to which the Public Service Alliance of Canada and Treasury Board are parties, with effect from December 13, 1981.

Part I

Part I of this Memorandum of Understanding shall apply to the incumbents of positions which will be reclassified to a group and/or level having a lower attainable maximum rate of pay after the date this Memorandum of Understanding becomes effective.

Note: The term “attainable maximum rate of pay” means the rate attainable for fully satisfactory performance in the case of levels covered by a performance pay plan or the maximum salary rate in the case of all other groups and levels.

1. Prior to a position being reclassified to a group and/or level having a lower attainable maximum rate of pay, the incumbent shall be notified in writing.
2. Downward reclassification notwithstanding, an encumbered position shall be deemed to have retained for all purposes the former group and level. In respect to the pay of the incumbent, this may be cited as Salary Protection Status and subject to section 3(b) below shall apply until the position is vacated or the attainable maximum of the reclassified level, as revised from time to time, becomes greater than that applicable, as revised from time to time, to the former classification level. Determination of the attainable maxima rates of pay shall be in accordance with the Retroactive Remuneration Regulations.
3.
 - a. The Employer will make a reasonable effort to transfer the incumbent to a position having a level equivalent to that of the former group and/or level of the position.

2. An employee who is paid at a holding rate on the effective date of an economic increase, but who is removed from that holding rate prior to the effective date of a further economic increase by an amount less than he would have received by the application of paragraph 1 of Part II, shall receive a lump sum payment equal to the difference between the amount calculated by the application of paragraph 1 of Part II and any increase in pay resulting from his removal from the holding rate.

Signed at Ottawa, this 9th day of the month of February 1982.

****Appendix V**

Memorandum of Understanding in Respect of Employees in the Engineering and Scientific Support (EG) Group

Memorandum of Understanding between the Treasury Board and the Public Service Alliance of Canada With Respect to Mental Health in the Workplace

This memorandum of understanding is to give effect to the understanding reached between the Employer and Public Service Alliance of Canada regarding issues of mental health in the workplace.

The task force, comprised of a technical committee and a steering committee, is established with a long-term focus and commitment from senior leadership of the parties. It will focus on continuous improvement and the successful implementation of measures to improve mental health in the workplace.

Accordingly, the parties agree to establish a steering committee and a technical committee by April 30, 2015. The steering committee is to establish the terms of reference of the technical committee by May 30, 2015. These dates may be extended by mutual agreement of the steering committee members. The technical committee terms of reference may be amended from time to time by mutual consent of the steering committee members.

The technical committee will provide a report of recommendations to the steering committee by September 1, 2015. The steering committee members may, by mutual agreement, extend this period.

The ongoing responsibilities of the technical committee include:

- identifying ways of reducing and eliminating the stigma in the workplace that is too frequently associated with mental health issues;
- identifying ways to better communicate the issues of mental health challenges in the workplace and tools such as existing policies, legislation and directives available to support employees facing these challenges;
- reviewing practices from other jurisdictions and employers that might be instructive for the public service;
- reviewing the National Standard of Canada for Psychological Health and Safety in the Workplace (the Standard) and identify how implementation shall best be achieved within the public service; recognizing that not all workplaces are the same;
- ensuring the participation of Health and Safety committees as required by the steering committee;
- outlining any possible challenges and barriers that may impact the successful implementation of mental health best practices;
and
- outlining areas where the objectives reflected in the Standard, or in the work of other organizations, represent a gap with existing approaches within the federal public service.

Once identified, make ongoing recommendations to the steering committee on how those gaps could be addressed. The National Standard for Psychological Health and Safety in the Workplace should be considered a minimum standard that the Employer's occupational health and safety program may exceed.

The steering and technical committees will be comprised of an equal number of Union and Employer representatives. The steering committee is responsible for determining the number and the identity of their respective technical committee representatives.

Memorandum of Agreement With Respect to Implementation of Union Leave

This Memorandum is to give effect to an agreement reached between the Employer and the Public Service Alliance of Canada (the Union) to implement a system of cost recovery for leave for Union business.

The elements of the new system are as follows:

- recoverable paid leave for Union business for periods of up to three (3) months of continuous leave per year;
- cost recovery will be based on actual salary costs during the leave period, to which a percentage of salary, agreed to by the parties, will be added;
- the Employer will pay for all administration costs associated with the operation of this system.

The surcharge will be based on average expected costs incurred by the Employer for payroll taxes, pensions and supplementary benefits during the operation of the program as described above, calculated according to generally accepted practices.

Notwithstanding anything else in this agreement, and as an overarching principle, it will not include costs for benefits that would otherwise be paid by the Employer during an equivalent period of leave without pay. The consequences of the implementation of clause 14.15 will be cost neutral for the Employer in terms of compensation costs, and will confer neither a substantial financial benefit, nor a substantially increased cost, on the Employer.

A joint committee consisting of an equal number of Union and Employer representatives will be struck to resolve matters related to the implementation this new program, including, but not limited to, invoices, accounting and the manner of the transaction.

The Joint Committee's principal work will relate to:

- determining an appropriate surcharge in recognition of the considerations identified in this document;
- establishing processes and the Employer's reporting requirements;
and
- other considerations associated with implementation.

If agreement cannot be reached on recovering costs against Union remittances, the Joint Committee will consider alternate means of cost recovery.

The Joint Committee will be struck and convened within by February 15, 2017, and will complete its work by October 16, 2017, with implementation to be completed by the earliest feasible date as determined by the committee.

In the event that the parties do not reach an agreement, the parties may seek the services of a mediator. Necessary consequential changes will be made to Article 14, effective January 1, 2018.

The deadline for completion of work and implementation of this system may be extended by mutual consent of both parties to this agreement.

Memorandum of Agreement on Supporting Employee Wellness

This Memorandum of Agreement is to give effect to the understanding reached between the Employer and Public Service Alliance of Canada regarding issues of employee wellness.

The parties agree to establish a Task Force, comprised of a Steering Committee and a Technical Committee, with a long-term focus and commitment from senior leadership of the parties.

The Task Force will develop recommendations on measures to improve employee wellness and the reintegration of employees into the workplace after periods of leave due to illness or injury.

The Steering Committee and Technical Committee will be established by January 31, 2017. The committees will be comprised of an equal number of Employer representatives and Union representatives. The Steering Committee is responsible for determining the composition of the Technical Committee. The Steering Committee shall be co-chaired by the President of the Alliance and a representative of the Employer.

The Steering Committee shall establish the terms of reference for the Technical Committee, approve a work plan for the Technical Committee, and timelines for interim reports from the Technical Committee.

All time spent by employees in support of the Technical Committee shall be deemed to be leave with pay for Union activities. The Employer will grant leave with pay for employees engaged in these activities, including preparation and travel time.

Dates may be extended by mutual agreement of the Steering Committee members. The Technical Committee's terms of reference may be amended from time to time by mutual consent of the Steering Committee members.

The Technical Committee will develop all agreements and documents needed to support the consideration of a wellness plan during the next round of collective bargaining. This work shall be completed by December 1, 2017. The Technical Committee shall provide interim recommendations for review by the Steering Committee on the following matters through a series of regular meetings:

- income replacement parameters, the treatment of accumulated sick leave credits and consequential changes to existing leave provisions within the collective agreements;
- eligibility conditions for a new wellness plan;
- privacy considerations;
- internal assessment as well as approval and denial processes;
- case management and measures to ensure the successful return of employees to the workplace after a period of leave due to illness or injury;
- joint governance of the wellness plan;

- options for alternative medical treatments;
- other measures that would support an integrated approach to the management of employee wellness for federal public service employees, including but not limited to ways to reduce and eliminate threats to workplace wellness, including discrimination, harassment, workplace violence, bullying, and abuse of authority.

The Technical Committee shall respect the related work of the Mental Health Task Force and the Service Wide Occupational Health and Safety Committee in its deliberations.

The Technical Committee shall also review practices from other Canadian jurisdictions and employers that might be instructive for the public service, recognizing that not all workplaces are the same. The Service Wide Occupational Health and Safety Committee shall be consulted as required. Leading Canadian experts in the health and disability management field shall also be consulted.

Key principles

A new wellness plan shall:

- contribute to a healthy workforce, through a holistic consideration of physical and mental health issues.
- include case management and timely return to work protocols, based on best practices.
- investigate integration with other public service benefit plans.
- address a wide range of medical conditions, work situations and personal circumstances facing employees, including chronic and episodic illnesses and travel time from northern and remote communities for diagnosis and treatment (subject to the NJC Directives, such as the Isolated Post and Government Housing Directive) and wait times for medical clearances to return home.
- be contained in the collective agreements. The final level of adjudication associated with the plan will be the Public Service Labour Relations and Employment Board (PSLREB).
- be administered internally within the federal public service, rather than by third-party service provider.
- have common terms which will apply to all employees.
- provide for full income replacement for periods covered by the plan.
- ensure that new measures provide at least the same income support protection as that provided by earned sick leave banks in the current regime.
- current sick leave banks would be grand-fathered/protected and their value appropriately recognized.

If an agreement is not reached within 18 months from the establishment of the Technical Committee, or should the parties reach impasse before then, the parties agree to jointly appoint a mediator within 30 days.

If the parties are unsuccessful in reaching an agreement, after mediation, the current terms and conditions of employment related to the sick leave regime for PSAC members remain unchanged.

Both parties agree to recommend these proposals to their respective principals.

Signed at Ottawa, this 14th day of December 2016.
