Clauses 8.02 to 8.07 do not apply to NU employees on shift work

8.02 Hours of work: general

- a. This paragraph does not apply to the DE, MD and NU groups.

The scheduled workweek shall be thirty-seven decimal five (37.5) hours and the scheduled workday shall be seven decimal five (7.5) consecutive hours, exclusive of a meal period, between the hours of 7:00 am and 6:00 pm. The normal workweek shall be Monday to Friday inclusive.

- b. Subparagraphs (i) to (v) apply to the NU Group only.
 - i. For employees engaged in non-shift work, the normal workweek shall be thirty-seven decimal five (37.5) hours and the normal workday shall be seven decimal five (7.5) consecutive hours, exclusive of a meal period, between the hours of 7 am and 6 pm.
 - ii. When normal hours, other than those provided in subparagraph 8.02(b)(i), are in existence when this agreement is signed, the Employer, on request, will consult with the Institute on such hours of work and in such consultation establish that such hours are required to meet the needs of the public and/or the efficient operation of the service. Where normal hours are to be changed so that they are different from those specified in paragraph 8.02(b), the Employer, except in cases of emergency, will consult in advance with the Institute on such hours of work and, in such consultation, will establish that such hours are required to meet the needs of the public and/or the efficient operation of the Service.
 - iii. It is understood that consultation may be held at the local level and will be referred to the appropriate Employer and Institute levels before implementation.
 - iv. Within five (5) days of notification of consultation served by either party, the Institute shall notify the Employer in writing of the representative authorized to act on behalf of the Institute for consultation purposes.

- v. When operational requirements permit, an employee shall not be scheduled to work in excess of fifty-two decimal five (52.5) hours without at least two (2) consecutive days of rest.
- c. Subparagraphs (i) to (iii) apply to the DE and MD groups only.

Implementation of this clause is subject to Article 46: variations in hours of work.

8.07 When operational requirements permit, two (2) rest periods of fifteen (15) minutes each shall be provided during each normal workday.

8.16 Provided sufficient advance notice is given and with the approval of the Employer, employees may exchange shifts if there is no increase in cost to the Employer.

8.17 Every reasonable effort shall be made by the Employer to consider the wishes of the majority of employees concerned in the arrangements of shifts within a shift schedule. Consideration shall be given to an employee's request for permanent evening or night duty.

Subject to and as provided in section 220 of the Public Service Labour Relations Act, the Institute or the Employer may present a policy grievance in respect of the interpretation or application of the collective agreement or an arbitral award.

A policy grievance may be presented by the Institute only at the final step of the grievance procedure, to an authorized representative of the Employer. The Employer shall inform the Institute of the name, title and address of this representative.

The grievance procedure for a policy grievance by the Employer shall also be composed of a single step, with the grievance presented to an authorized representative of the Institute. The Institute shall inform the Employer of the name, title and address of this representative.

34.05

- a. For the purposes of this article, a grievor is an employee or, in the case of a group or policy grievance, a steward, Institute staff person or other authorized representative appointed by the Institute.
- b. No person shall seek by intimidation, by threat of dismissal or by any other kind of threat to cause a grievor to abandon a grievance or refrain from exercising the right to present a grievance, as provided in this collective agreement.
- c. The parties recognize the value of informal discussion between employees and their supervisors and between the Institute and the Employer to the end that problems might be resolved without recourse to a formal grievance. When notice is given that an

employee or the Institute, within the time limits prescribed in clause 34.12, wishes to take advantage of this clause, it is agreed that the period between the initial discussion and the final response shall not count as elapsed time for the purpose of grievance time limits.

34.06 A grievor wishing to present a grievance at any prescribed step in the grievance procedure, shall transmit this grievance to the employee's immediate supervisor or local officer-in-charge who shall forthwith:

- a. forward the grievance to the representative of the Employer authorized to deal with grievances at the appropriate step,
and
- b. provide the grievor with a receipt stating the date on which the grievance was received.

34.07 A grievance shall not be deemed to be invalid by reason only of the fact that it is not in accordance with the form supplied by the Employer.

34.08 Subject to and as provided for in the public service Labour Relations Act, a grievor who feels treated unjustly or aggrieved by an action or lack of action by the Employer in matters other than those arising from the classification process is entitled to present a grievance in the manner prescribed in clause 34.06, except that:

- a. where there is another administrative procedure provided by or under any Act of Parliament to deal with the grievor's specific complaint such procedure must be followed,
and
- b. where the grievance relates to the interpretation or application of this collective agreement or an arbitral award, an employee is not entitled to present the grievance unless he has the approval of and is represented by the Institute.

34.09 There shall be three (3) steps in the grievance procedure. These levels shall be as follows:

- a. Step 1: first level of management;
- b. Step 2: intermediate level;
- c. Final Step: Chief Executive or an authorized representative.

34.10 The Employer shall designate a representative at each step in the grievance procedure and shall inform each employee to whom the procedure applies of the name or title of the person so designated together with the name or title and address of the immediate supervisor or local officer-in-charge to whom a grievance is to be presented.

This information shall be communicated to employees by means of notices posted by the Employer in places where such notices are most likely to come to the attention of the employees to whom the grievance procedure applies, or otherwise as determined by agreement between the Employer and the Institute.

34.11 An employee who so desires, may be assisted and/or represented by the Institute when presenting a grievance at any step. The Institute shall have the right to consult with the Employer with respect to a grievance at each or any step of the grievance procedure.

34.12 A grievor may present a grievance to the first step of the procedure in the manner prescribed in clause 34.06, not later than the twenty-fifth (25th) day after the date on which the grievor is notified or on which the grievor first becomes aware of the action or circumstances giving rise to the grievance. The Employer may present a policy grievance in the manner prescribed in clause 34.04 not later than the twenty-fifth (25th) day after the date on which the Employer is notified orally or in writing or on which the Employer first becomes aware of the action or circumstances giving rise to the policy grievance.

34.13 A grievor may present a grievance at each succeeding step in the grievance procedure beyond the first step either:

- a. where the decision or settlement is not satisfactory to the grievor, within ten (10) days after that decision or settlement has been conveyed in writing to the grievor by the Employer,
- or
- b. where the Employer has not conveyed a decision to the grievor within the time prescribed in clause 34.14, within fifteen (15) days after presentation by the grievor of the grievance at the previous step.

34.14 The Employer shall normally reply to a grievance at any step of the grievance procedure, except the final step, within ten (10) days after the grievance is presented, and within twenty (20) days where the grievance is presented at the final step except in the case of a policy grievance, to which the Employer shall normally respond within thirty (30) days. The Institute shall normally reply to a policy grievance presented by the Employer within thirty (30) days.

34.15 Where an employee has been represented by the Institute in the presentation of the employee's grievance, the Employer will provide the appropriate representative of the Institute with a copy of the Employer's decision at each step of the grievance procedure at the same time that the Employer's decision is conveyed to the employee.

34.16 Where a grievance has been presented up to and including the final step in the grievance process, and the grievance is not one that may be referred to adjudication, the decision on the grievance taken at the final step in the grievance process is final and binding and no further action may be taken under the Public Service Labour Relations Act.

34.17 In determining the time within which any action is to be taken as prescribed in this procedure, Saturdays, Sundays and designated paid holidays shall be excluded.

34.18 Where the provisions of clause 34.06 cannot be complied with and it is necessary to present a grievance by mail, the grievance shall be deemed to have been presented on the day on which it is postmarked and it shall be deemed to have been received by the Employer on the day

it is delivered to the appropriate office of the department or agency concerned. Similarly, the Employer shall be deemed to have delivered a reply at any step on the date on which the letter containing the reply is postmarked, but the time limit within which the grievor may present the grievance at the next higher step shall be calculated from the date on which the Employer's reply was delivered to the address shown on the grievance form.

34.19 The time limits stipulated in this procedure may be extended by mutual agreement between the Employer and the grievor and, where appropriate the Institute representative, except as provided in clause 34.21.

34.20 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular step of authority, any or all the steps except the final step may be eliminated by agreement of the Employer and the grievor, and, where applicable, the Institute.

34.21 Where the Employer demotes or terminates an employee pursuant to paragraph 12(1)(c), (d) or (e) of the Financial Administration Act, the grievance procedure set forth in this agreement shall apply except that:

- a. the grievance may be presented at the final step only,
and
- b. the twenty (20) day time limit within which the Employer is to reply at the final step may be extended to a maximum of forty (40) days by mutual agreement of the Employer and the appropriate representative of the Institute.

34.22 A grievor may by written notice to the immediate supervisor or officer-in-charge abandon a grievance.

34.23 Any grievor who fails to present a grievance to the next higher step within the prescribed time limits shall be deemed to have abandoned the grievance unless, due to circumstances beyond the grievor's control, the grievor was unable to comply with the prescribed time limits.

34.24 Where a grievance has been presented up to and including the final step in the grievance procedure with respect to:

- a. the interpretation or application of a provision of this collective agreement or related arbitral award,
or
- b. termination of employment or demotion pursuant to paragraph 12(1)(c), (d) or (e) of the Financial Administration Act,
or
- c. disciplinary action resulting in suspension or financial penalty,

and the grievance has not been resolved, it may be referred to adjudication in accordance with the provisions of the Public Service Labour Relations Act and Regulations.

34.25 Where a grievance that may be presented by an employee to adjudication is a grievance relating to the interpretation or application in respect of the employee of a provision of this agreement or an arbitral award, the employee is not entitled to refer the grievance to adjudication unless the Institute signifies in prescribed manner:

- a. its approval of the reference of the grievance to adjudication,
and
- b. its willingness to represent the employee in the adjudication proceedings.

34.26 Expedited adjudication

The parties agree that any adjudicable grievance may be referred to the following expedited adjudication process:

The framework is set out below.

- a. At the request of either party, a grievance that has been referred to adjudication may be dealt with through expedited adjudication with the consent of both parties.
- b. Future cases may be identified for this process by either party, subject to the consent of the parties.
- c. When the parties agree that a particular grievance will proceed through expedited adjudication, the Institute will submit to the PSLREB the consent form signed by the grievor or the bargaining agent.

This will be confirmed in a written determination to be issued by the adjudicator within five (5) days of the hearing. The parties may, at the request of the adjudicator, vary the above conditions in a particular case.
- i. The adjudicator's determination will be final and binding on all the parties, but will not constitute a precedent. The parties agree not to refer the determination to the Federal Court.

- iv. for promotions, demotions, deployments, transfers or acting situations effective during the retroactive period, the rate of pay shall be recalculated, in accordance with the Directive on Terms and Conditions of Employment, using the revised rates of pay. If the recalculated rate of pay is less than the rate of pay the employee was previously receiving, the revised rate of pay shall be the rate, which is nearest to, but not less than the rate of pay being received prior to the revision. However, where the recalculated rate is at a lower step in the range, the new rate shall be the rate of pay shown immediately below the rate of pay being received prior to the revision;
- v. no payment or no notification shall be made pursuant to paragraph 45.06(b) for one dollar (\$1.00) or less.

45.07 This article is subject to the Memorandum of Understanding signed by the Employer and the Professional Institute of the Public Service of Canada dated 21 July 1982 in respect of red-circled employees.

45.08 Overpayment

Should there be an error made in pay calculations resulting in an overpayment, the employee shall be notified beforehand in writing of the requirement for repayment to the employer and the intended repayment schedule. The employer will discuss the proposed schedule with the employee prior to putting it into effect.

45.09 Acting pay

- a. When an employee is required by the Employer to substantially perform the duties of a higher classification level on an acting basis for the number of consecutive working days indicated in (i) or (ii), the employee shall be paid acting pay calculated from the date on which the employee commenced to act as if the employee had been appointed to that higher classification level for the period in which the employee acts.
 - i. two (2) working days: ND-DIT and OP level 1, and NU-CHN and NU-HOS levels 1 to 4;
 - ii. four (4) working days: all other employees.
- b. When a day designated as a paid holiday occurs during the qualifying period, the holiday shall be considered as a day worked for the purpose of the qualifying period.

45.10 New classification standard

If, during the term of this agreement, a new classification standard is established and implemented by the Employer, the Employer shall, before applying rates of pay to new levels resulting from the application of the standard, negotiate with the Institute the rates of pay and the rules affecting the pay of employees on their movement to the new levels.

Article 46: variation in hours of work

46.01 Principle

The following conditions shall apply to employees to whom the provisions of clause 8.06 (Compressed Workweek) and subparagraph 8.09(e)(i) (shift longer than seven decimal five (7.5) hours) of Article 8 apply.

It is agreed that the implementation of any variation in hours shall not result under any circumstances in any additional expenditure or cost by reason of such variation.

Before changing the hours of work approved under Article 8.09(e)(i), the employer shall consult with the Institute. Such consultation shall be held no later than two (2) months prior to the modification of the hours of work agreed to under Article 8.09(e)(i).

During the consultation, the employer shall provide the Union with the relevant information (such as statistics and rationale) in support of the proposed change.

46.02 General application

a. Conversion to hours

- i. The provisions of the collective agreement which specify days shall be converted to hours based on a seven decimal five (7.5) hour day as follows:
 - five-twelfths ($5/12$) day = 3.125 hours
 - one (1) day = 7.500 hours
 - one and one-quarter ($1 \frac{1}{4}$) days = 9.375 hours
 - one and two-thirds ($1 \frac{2}{3}$) days = 12.500 hours
 - one and eleven-twelfth ($1 \frac{11}{12}$) days = 14.375 hours
 - two and one-twelfth ($2 \frac{1}{12}$) days = 15.625 hours
 - two and one half ($2 \frac{1}{2}$) days = 18.750 hours
- ii. Notwithstanding the above, in clause 17.02, Bereavement leave with pay, and Article 34: grievance procedure, a day will have the same meaning as the provisions of the collective agreement.

b. Implementation and termination

NU: Nursing Group

Pay notes

Pay increment for full-time and part-time employees

1. The pay increment period for employees at levels NU-HOS-1 and NU-CHN-1 is six (6) months. A part-time employee who, on the date of signing of this collective agreement, has worked more than six (6) months since the last increment will receive a salary increment effective on the date of signing. The next statutory increase for part-time employees will be calculated from this date.
2. The pay increment period for employees at the NU-HOS levels 2 to 6 and at the NU-CHN levels 2 to 8 is twelve (12) months. A part-time employee who, on the date of signing of this collective agreement, has worked more than twelve (12) months since the last increment will receive a salary increment effective on the date of signing. The next statutory increase for part-time employees will be calculated from this date.
3. The pay increment date for an employee, appointed on or after 19 April 1982 to a position in the bargaining unit upon promotion, demotion or from outside the public service, shall be the anniversary date of such appointment. The anniversary date for an employee who was appointed to a position in the bargaining unit prior to the application date above, remains unchanged.

Pay adjustment administration

4. All employees being paid at the pending registration, the NU HOS levels 1 to 6, and the NU CHN 1 to 8 scales of rates shall, on the relevant effective dates in Appendix “A”, be paid in the A and B scales of rates shown immediately below the employee’s former rate of pay.

- a. with more than one (1) year, but less than three (3) years of recent experience, at the first (1st) step;
- b. with more than three (3) years of recent experience but with less than five (5) years of recent experience, at the second (2nd) step;
- c. with five (5) or more years of recent experience, at the third (3rd) step;

 - a. A nurse, with no experience, or with no recent experience, or with less than one (1) year of recent experience, will be appointed at the first (1st) step of the NU-HOS-1 level or at the first (1st) step of the NU-CHN-1 level.
 - b. A nurse, appointed at the NU-HOS-2, NU-CHN-2, NU-HOS-3 or NU-CHN-3 will be paid on appointment in the applicable salary scale of rates:

 - iii. with five (5) or more years of recent experience, at the third (3rd) step;
or
such higher step as determined by the Employer.
 - c. Assessment of recent experience will be at the discretion of management.

8. Rate of pay on transfer between regions

General

Application

This Appendix applies to all employees.

Unless explicitly specified, the provisions contained in Parts I to VI do not apply to alternative delivery initiatives.

Collective agreement

With the exception of those provisions for which the Public Service Commission (PSC) is responsible, this Appendix is part of this collective agreement.

Objectives

It is the policy of the Treasury Board to maximise employment opportunities for indeterminate employees affected by workforce adjustment situations, primarily through ensuring that, wherever possible, alternative employment opportunities are provided to them. This should not be construed as the continuation of a specific position or job but rather as continued employment.

To this end, every indeterminate employee whose services will no longer be required because of a workforce adjustment situation and for whom the deputy head knows or can predict employment availability will receive a guarantee of a reasonable job offer within the core public administration. Those employees for whom the deputy head cannot provide the guarantee will have access to transitional employment arrangements (as per Part VI and VII).

Definitions

accelerated lay-off (mise en disponibilité accélérée)

Occurs when a surplus employee makes a request to the deputy head, in writing, to be laid off at an earlier date than that originally scheduled, and the deputy head concurs. Lay-off entitlements begin on the actual date of lay-off.

affected employee (employé touché)

Is an indeterminate employee who has been informed in writing that his or her services may no longer be required because of a workforce adjustment situation.

alternation (échange de postes)

Occurs when an opting employee (not a surplus employee) who wishes to remain in the core public administration exchanges positions with a non-affected employee (the alternate) willing to leave the core public administration with a Transition Support Measure or with an Education Allowance.

alternative delivery initiative (diversification des modes de prestation des services)

Is the transfer of any work, undertaking or business of the core public administration to any body or corporation that is a separate agency or that is outside the core public administration.

appointing department or organization (ministère ou organisation d'accueil)

Is a department or organization or agency which has agreed to appoint or consider for appointment (either immediately or after retraining) a surplus or a laid-off person.

core public administration (administration publique centrale)

Means that part in or under any department or organization, or other portion of the federal public administration specified in Schedules I and IV to the Financial Administration Act (FAA) for which the PSC has the sole authority to appoint.

deputy head (administrateur général)

Has the same meaning as in the definition of “Deputy Head” set out in section 2 of the Public Service Employment Act, and also means his or her official designate.

**

education allowance (indemnité d'étude)

Is one of the options provided to an indeterminate employee affected by normal workforce adjustment for whom the deputy head cannot guarantee a reasonable job offer. The Education Allowance is a lump sum payment, equivalent to the Transitional Support Measure (see Annex “B”), plus a reimbursement of tuition from a recognized learning institution, book and relevant equipment costs, up to a maximum of fifteen thousand (\$15,000) dollars.

guarantee of a reasonable job offer (garantie d'une offre d'emploi raisonnable)

Is a guarantee of an offer of indeterminate employment within the core public administration provided by the deputy head to an indeterminate employee who is affected by workforce

adjustment. Deputy heads will be expected to provide a guarantee of a reasonable job offer to those affected employees for whom they know or can predict employment availability in the core public administration. Surplus employees in receipt of this guarantee will not have access to the options available in Part VI of this Appendix.

Is a department or organization or agency declaring an individual employee surplus.

laid off person (personne mise en disponibilité)

Is a person who has been laid off pursuant to subsection 64(1) of the PSEA, who still retains a reappointment priority under subsection 41(4) and section 64 of the PSEA.

lay-off notice (avis de mise en disponibilité)

Is a written notice of lay-off to be given to a surplus employee at least one (1) month before the scheduled lay-off date. This period is included in the surplus period.

layoff priority (priorité de mise en disponibilité)

A person who has been laid off is entitled to a priority, in accordance with subsection 41(5) of the PSEA with respect to any position to which the Public Service Commission (PSC) is satisfied that the person meets the essential qualifications; the period of entitlement of this priority is one (1) year as set out in Section 11 of the Public Service Employment Regulations (PSER).

opting employee (employé optant)

Is an indeterminate employee whose services will no longer be required because of a workforce adjustment situation and who has not received a guarantee of a reasonable job offer from the deputy head and who has one hundred and twenty (120) days to consider the options of Part 6.3 of this Appendix.

pay (rémunération)

Has the same meaning as rate of pay in the employee's collective agreement.

Priority Information Management System (système de gestion de l'information sur les priorités)

Is a system designed by the PSC to facilitate appointments of individuals entitled to statutory and regulatory priorities.

**

reasonable job offer (offre d'emploi raisonnable)

Is an offer of indeterminate employment within the core public administration, normally at an equivalent level but could include lower levels. Surplus employees must be both trainable and mobile. Where possible, the search for a reasonable job offer will be conducted as follows: 1) within the employee's headquarters as defined in the Travel Directive; 2) within forty kilometres (40 km) of the employee's place of work or the employee's residence whichever will ensure continued employment; and 3) beyond forty kilometres (40 km). In Alternative Delivery situations, a reasonable offer is one that meets the criteria set out in type 1 and 2 of Part VII of this appendix. A reasonable job offer is also an offer from a FAA Schedule V employer, providing that:

- a. The appointment is at a rate of pay and an attainable salary maximum not less than the employee's current salary and attainable maximum that would be in effect on the date of offer.
- b. It is a seamless transfer of all employee benefits including a recognition of years of service for the definition of continuous employment and accrual of benefits, including the transfer of sick leave credits, severance pay and accumulated vacation leave credits.

**

relocation of work unit (réinstallation d'une unité de travail)

Is the authorized move of a work unit of any size to a place of duty beyond what, according to local custom, is normal commuting distance from the former work location and from the employee's current residence.

Part I: roles and responsibilities

1.1 Departments or organizations

1.1.1 Since indeterminate employees who are affected by workforce adjustment situations are not themselves responsible for such situations, it is the responsibility of departments or organizations to ensure that they are treated equitably and, given every reasonable opportunity to continue their careers as public service employees.

1.1.2 Departments or organizations shall carry out effective human resource planning to minimise the impact of workforce adjustment situations on indeterminate employees, on the department or organization, and on the public service.

**

1.1.3 Departments and organizations shall:

- a. establish joint workforce adjustment committees, where appropriate, to advise and consult on the workforce adjustment situations within the department or organization, and
- b. notify PIPSC of the responsible officers who will administer this Appendix.

Terms of reference of such committee shall include a process for addressing alternation requests from other departments and/or organizations.

1.1.4 Departments or organizations shall, as the home department or organization, cooperate with the PSC and appointing departments or organizations in joint efforts to redeploy departmental or organizational surplus employees and laid-off persons.

1.1.5 Departments or organizations shall establish systems to facilitate redeployment or retraining of the department's or organization's affected employees, surplus employees, and laid-off persons.

1.1.6 When a deputy head determines that the services of an employee are no longer required beyond a specified date due to lack of work or discontinuance of a function, the deputy head shall advise the employee, in writing, that his or her services will no longer be required. A copy of this letter shall be sent forthwith to the President of PIPSC.

Such a communication shall also indicate if the employee:

- a. is being provided a guarantee of a reasonable job offer from the deputy head and that the employee will be in surplus status from that date on,
or
- b. is an opting employee and has access to the options of Section 6.3 of this Appendix because the employee is not in receipt of a guarantee of a reasonable job offer from the deputy head.

Where applicable, the communication should also provide the information relative to the employee's possible lay-off date.

1.1.7 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those employees subject to workforce adjustment for whom they know or can predict employment availability in the core public administration.

1.1.8 Where a deputy head cannot provide a guarantee of a reasonable job offer, the deputy head will provide one hundred and twenty (120) days to consider the three (3) options outlined in Part VI of this Appendix to all opting employees before a decision is required of them. If the employee fails to select an option, the employee will be deemed to have selected option (a), a twelve (12) month surplus priority period in which to secure a reasonable job offer.

1.1.9 The deputy head shall make a determination to either provide a guarantee of a reasonable job offer or access to the options set out in 6.4 of this Appendix, upon request of any indeterminate affected employee who can demonstrate that his or her duties have already ceased to exist.

1.1.10 Departments or organizations shall send written notice to the PSC of the employee's surplus status, and shall send to the PSC such details, forms, resumés, and other material as the PSC may from time to time prescribe as necessary for it to discharge its function.

1.1.11 The home department or organization shall provide the PSC with a written statement that it would be prepared to appoint the surplus employee to a suitable position in the department or organization commensurate with his/her qualifications, if such a position were available.

1.1.12 Departments or organizations shall advise the President of PIPSC and consult with PIPSC representatives as completely as possible regarding any workforce adjustment situation as soon as possible after the decision has been made and throughout the process. When the affected employees are identified, the departments or organizations will forward the name, work location, phone number, email address and mailing address of affected employees as per the departmental or organizational employee database of those employees to the President of PIPS.

1.1.13 Departments or organizations shall provide that employee with the official notification that he or she has become subject to a workforce adjustment and shall remind the employee that the Appendix on workforce adjustment of this collective agreement applies.

1.1.14 Deputy heads shall apply this Appendix so as to keep actual involuntary lay-offs to a minimum, and lay-offs shall normally only occur where an individual has refused a reasonable job offer, or is not mobile, or cannot be retrained within two (2) years, or is laid-off at his or her own request.

1.1.15 Departments or organizations are responsible to counsel and advise their affected employees on their opportunities of finding continuing employment in the public service and shall, to the extent possible, help market surplus employees and laid off persons to other departments or organizations unless the individuals have advised the department or organization in writing that they are not available for appointment.

1.1.16 Appointment of surplus employees to alternative positions, whether with or without retraining, shall normally be at a level equivalent to that previously held by the employee, but this does not preclude appointment to a lower level. Departments or organizations shall avoid appointment to a lower level except where all other avenues have been exhausted.

1.1.17 Home departments or organizations shall appoint as many of their own surplus employees or laid-off persons as possible, or identify alternative positions (both actual and anticipated) for which individuals can be retrained.

1.1.18 Home departments or organizations shall relocate surplus employees and laid-off individuals, if necessary.

1.1.19 Relocation of surplus employees or laid-off persons shall be undertaken when the individuals indicate that they are willing to relocate and relocation will enable their redeployment or reappointment, providing that:

- a. there are no available priority persons, or priority persons with a higher priority, qualified and interested in the position being filled;
or
- b. no available local surplus employees or laid-off persons who are interested and who could qualify with retraining.

1.1.20 The cost of travelling to interviews for possible appointments and of relocation to the new location shall be borne by the employee's home department or organization. Such cost shall be consistent with the Travel and NJC Integrated Relocation directives.

1.1.21 For the purposes of the NJC Integrated Relocation directive, surplus employees and laid-off persons who relocate under this Appendix shall be deemed to be employees on employer-requested relocations. The general rule on minimum distances for relocation applies.

1.1.22 For the purposes of the Travel directive, laid-off persons travelling to interviews for possible reappointment to the core public administration are deemed to be a "traveller" as defined in the Travel Directive.

1.1.23 For the surplus and/or lay-off priority periods, home departments or organizations shall pay the salary, salary protection and/or termination costs as well as other authorized costs such as tuition, travel, relocation, and retraining as provided for in the various collective agreements and directives. The appointing department or organization may agree to absorb all or part of these costs.

1.1.24 Where a surplus employee is appointed by another department or organization to a term position, the home department or organization is responsible for the costs above for one year from the date of such appointment, unless the home and appointing departments or organizations agree to a longer period, after which the appointing department or organization becomes the new home department or organization consistent with PSC authorities.

1.1.25 Departments or organizations shall protect the indeterminate status and surplus priority of a surplus indeterminate employee appointed to a term position under this Appendix.

1.1.26 Departments or organizations shall inform the PSC in a timely fashion, and in method directed by PSC, of the results of all referrals made to them under this Appendix.

**

1.1.27 Departments or organizations shall review the use of private temporary agency personnel, contractors, consultants, and their use of contracted out services, employees appointed for a specified period (terms) and all other non-indeterminate employees. Where practicable, departments or organizations shall not engage or re-engage such temporary agency personnel, contractors, consultants, contracted out services, nor renew the employment of such employees referred to above where such action would facilitate the appointment of surplus employees or laid-off persons.

1.1.28 Nothing in the foregoing shall restrict the employer's right to engage or appoint persons to meet short-term, non-recurring requirements. Surplus and laid-off persons shall be given priority even for these short-term work opportunities.

1.1.29 Departments or organizations may lay off an employee at a date earlier than originally scheduled when the surplus employee requests them to do so in writing.

1.1.30 Departments or organizations, acting as appointing departments or organizations, shall cooperate with the PSC and other departments or organizations in accepting, to the extent possible, affected, surplus and laid-off persons, from other departments or organizations for appointment or retraining.

**

1.1.31 Departments or organizations shall provide surplus employees with a lay-off notice at least one month before the proposed lay-off date, if appointment efforts have been unsuccessful. Such notice shall be sent to the President of PIPSC.

1.1.32 When a surplus employee refuses a reasonable job offer, he or she shall be subject to lay-off one month after the refusal, however not before six (6) months after the surplus declaration date. The provisions of 1.3.3 shall continue to apply.

1.1.33 Departments or organizations are to presume that each employee wishes to be redeployed unless the employee indicates the contrary in writing.

1.1.34 Departments or organizations shall inform and counsel affected and surplus employees as early and as completely as possible and shall, in addition, assign a counsellor to each opting and surplus employee and laid-off person to work with them throughout the process. Such counselling is to include explanations and assistance concerning:

- a. the workforce adjustment situation and its effect on that individual;
 - b. the workforce adjustment Appendix;
 - c. the PSC's Priority Information Management System and how it works from the employee's perspective;
 - d. preparation of a curriculum vitae or resumé;

 - h. the likelihood that the employee will be successfully appointed;
 - i. the meaning of a guarantee of reasonable job offer, a twelve (12) month surplus priority period in which to secure a reasonable job offer, a Transition Support Measure, an Education Allowance;
- **
- j. the options for employees not in receipt of a guarantee of a reasonable job offer, the one hundred and twenty (120) day consideration period that includes access to the alternation process;
 - k. advise employees to seek out proposed alternations and submit requests for approval as soon as possible after being informed they will not be receiving a guarantee of a reasonable job offer;
 - l. the Human Resources Centres and their services (including a recommendation that the employee register with the nearest office as soon as possible);
 - m. preparation for interviews with prospective employers;
 - n. repeat counselling as long as the individual is entitled to a staffing priority and has not been appointed ;
 - o. advising the employee that refusal of a reasonable job offer will jeopardize both chances for retraining and overall employment continuity;
and
- **
- p. advising employees of the right to be represented by the Institute in the application of this Appendix.

1.1.35 Home departments or organizations shall ensure that, when it is required to facilitate appointment, a retraining plan is prepared and agreed to in writing by themselves, the employee and the appointing department or organization.

1.1.36 Severance pay and other benefits flowing from other clauses in this collective agreement are separate from, and in addition to, those in this Appendix.

1.1.37 Any surplus employee who resigns under this Appendix shall be deemed, for the purposes of severance pay and retroactive remuneration, to be involuntarily laid off on the day as of which the deputy head accepts in writing the employee's resignation.

1.1.38 The department or organization will review the status of each affected employee annually, or earlier, from the date of initial notification of affected status and determine whether the employee will remain on affected status or not.

1.1.39 The department or organization will notify the affected employee, in writing, within five (5) working days of the decision pursuant to subsection 1.1.38.

1.3 The Public Service Commission

1.3.1 Within the context of workforce adjustment, and the Public Service Commission's (PSC) governing legislation, it is the responsibility of the PSC to:

- a. ensure that priority entitlements are respected;
- b. ensure that a means exists for priority persons to be assessed against vacant positions and appointed if found qualified against the essential qualifications of the position;
and
- c. ensure that priority persons are provided with information on their priority entitlements.

1.3.2 The PSC is further willing, in accordance with the Privacy Act, to:

- a. provide the Treasury Board Secretariat with information related to the administration of priority entitlements which may reflect on departments' or organizations' level of compliance with this directive,
and;

- b. provide information to the bargaining agents on the numbers and status of their members in the Priority Information Management System, as well as information on the overall system.

1.3.3 The PSC's roles and responsibilities flow from its governing legislation, not the collective agreement. As such, any changes made to these roles/responsibilities must be agreed upon by the Commission. For greater detail on the PSC's role in administering surplus and lay-off priority entitlements, refer to Annex C of this document.

1.4 Employees

1.4.1 Employees have the right to be represented by PIPS in the application of this Appendix.

1.4.2 Employees who are directly affected by workforce adjustment situations and who receive a guarantee of a reasonable job offer, or who opt, or are deemed to have opted, for option (a) of Part VI of this Appendix are responsible for:

1.4.3 Opting employees are responsible for:

- a. considering the options of Part VI of this Appendix;
- b. communicating their choice of options, in writing, to their manager no later than one hundred and twenty (120) days after being declared opting;
and
- c. submitting the alternation request to management before the close of the one hundred and twenty (120) day period, if arranging an alternation with an unaffected employee.

Part II: official notification

2.1 Department or organization

2.1.1 As already mentioned in section 1.1.12, departments or organizations shall advise and consult with the bargaining agent representatives as completely as possible regarding any workforce adjustment situation as soon as possible after the decision has been made and throughout the

process and will make available to the bargaining agent and to the President of PIPSC the name, and work location, phone number, email address and mailing address of affected employees as per the departmental or organizational employee database of those employees.

2.1.2 In any workforce adjustment situation which is likely to involve six (6) or more indeterminate employees covered by this Appendix, the department or organization concerned shall notify the Assistant Secretary (or delegate), Labour Relations and Compensation Operations, Treasury Board Secretariat, in confidence, at the earliest possible date and under no circumstances less than four (4) working days before the situation is announced.

2.1.3 Prior to notifying any potentially affected employee, departments or organizations shall also notify the Chief Executive Officer of each bargaining agent that has members involved. Such notification is to be in writing, in confidence and at the earliest possible date and under no circumstances less than two (2) working days before any employee is notified of the workforce adjustment situation. This information is to include the identity and location of the work unit(s) involved; the expected date of the announcement; the anticipated timing of the situation; and the numbers of employees, by group and level, who will be affected.

Part III: relocation of a work unit

3.1 General

3.1.1 In cases where a work unit is to be relocated, department(s) or organization(s) shall provide all employees whose positions are to be relocated with written notice of the opportunity to choose whether they wish to move with the position or be treated as if they were subject to a workforce adjustment situation.

3.1.2 Following written notification, employees must indicate, within a period of six (6) months, their intention to move. If the employee's intention is not to move with the relocated position, the Deputy head, after having considered relevant factors, can either provide the employee with a guarantee of a reasonable job offer or access to the options set out in section 6.4 of this Appendix.

3.1.3 Employees relocating with their work units shall be treated in accordance with the provisions of 1.1.18 to 1.1.22.

3.1.4 Although departments or organizations will endeavour to respect employee location preferences, nothing precludes the department or organization from offering the relocated position to employees in receipt of a guarantee of a reasonable job offer from their deputy heads, after having spent as much time as operations permit looking for a reasonable job offer in the employee's location preference area.

3.1.5 Employees who are not in receipt of a guarantee of a reasonable job offer shall become opting employees and have access to the options set out in Part VI of this Appendix.

Part IV: retraining

4.1 General

4.1.1 To facilitate the redeployment of affected employees, surplus employees, and laid-off persons, departments or organizations shall make every reasonable effort to retrain such persons for:

- a. existing vacancies;
or
- b. anticipated vacancies identified by management.

4.1.2 It is the responsibility of the employee, the home department or organization and the appointing department or organization to identify retraining opportunities pursuant to subsection 4.1.1.

4.1.3 Subject to the provisions of 4.1.2, the deputy head of the home department or organization shall approve up to two (2) years of retraining.

4.2 Surplus employees

4.2.1 A surplus employee is eligible for retraining providing:

and
- b. there are no other available priority persons who qualify for a specific vacant position as referenced in (a) above.

4.2.2 The home department or organization is responsible for ensuring that an appropriate retraining plan is prepared and is agreed to in writing by the employee and the delegated officers of the home and appointing departments or organizations.

4.2.3 Once a retraining plan has been initiated, its continuation and completion are subject to satisfactory performance by the employee.

4.2.4 While on retraining, a surplus employee continues to be employed by the home department or organization and is entitled to be paid in accordance with his or her current appointment, unless the appointing department or organization is willing to appoint the employee indeterminately, conditional on successful completion of retraining, in which case the retraining plan shall be included in the letter of offer.

4.2.5 When a retraining plan has been approved and the surplus employee continues to be employed by the home department or organization, the proposed lay-off date shall be extended to the end of the retraining period, subject to 4.2.3.

4.2.6 An employee unsuccessful in retraining may be laid off at the end of the surplus period, provided that the employer has been unsuccessful in making the employee a reasonable job offer.

4.2.7 In addition to all other rights and benefits granted pursuant to this section, an employee who is guaranteed a reasonable job offer, is also guaranteed, subject to the employee's willingness to relocate, training to prepare the surplus employee for appointment to a position pursuant to section 4.1.1, such training to continue for one (1) year or until the date of appointment to another position, whichever comes first. Appointment to this position is subject to successful completion of the training.

4.3 Laid-off persons

4.3.1 A laid-off person shall be eligible for retraining providing:

- a. retraining is needed to facilitate the appointment of the individual to a specific vacant position;
- b. the individual meets the minimum requirements set out in the relevant Selection Standard for appointment to the group concerned;
and
- c. there are no other available persons with a priority who qualify for the position.

4.3.2 When an individual is offered an appointment conditional on successful completion of retraining, a retraining plan shall be included in the letter of offer. If the individual accepts the conditional offer, he or she will be appointed on an indeterminate basis to the full level of the position after having successfully completed training and being assessed as qualified for the position. When an individual accepts an appointment to a position with a lower maximum rate of pay than the position from which he or she was laid-off, the employee will be salary protected in accordance with Part V.

Part V: salary protection

5.1 Lower-level position

5.1.1 Surplus employees and laid-off persons appointed to a lower-level position under this Appendix shall have their salary and pay equity equalization payments, if any, protected in accordance with the salary protection provisions of this collective agreement, or, in the absence of such provisions, the appropriate provisions of the Regulations Respecting Pay on Reclassification or Conversion.

5.1.2 Employees whose salary is protected pursuant to section 5.1.1 will continue to benefit from salary protection until such time as they are appointed or deployed into a position with a maximum rate of pay that is equal to or higher than the maximum rate of pay of the position from which they were declared surplus or laid off.

Part VI: options for employees

6.1 General

6.1.1 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those affected employees for whom they know or can predict employment availability. A deputy head who cannot provide such a guarantee shall provide his or her reasons in writing, if requested by the employee. Affected employees in receipt of this guarantee would not have access to the choice of options below.

**

6.1.2 Employees who are not in receipt of a guarantee of a reasonable job offer from their deputy head have one hundred and twenty (120) days to consider the three (3) options below before a decision is required of them,
and

The employee may also participate in the alternation process in accordance with section 6.3 of this Appendix within the one hundred and twenty (120) day window before a decision is required of them in 6.1.3.

**

6.1.3 The opting employee must choose, in writing, one of the three (3) Options of section 6.4 of this Appendix within the one hundred and twenty (120) day window. The employee cannot change options once having made a written choice. The Department shall send a copy of the employee's choice to the President of PIPSC.

6.1.4 If the employee fails to select an option, the employee will be deemed to have selected option (a), a twelve (12) month surplus priority period in which to secure a reasonable job offer at the end of the one hundred and twenty (120) day window.

6.1.5 If a reasonable job offer which does not require a relocation is made at any time during the one hundred and twenty (120) day opting period and prior to the written acceptance of the Transition Support Measure or the Education Allowance Option, the employee is ineligible for the TSM or the Education Allowance.

**

6.1.6 A copy of any letter issued by the Employer under this part or notice of lay-off pursuant to the Public Service Employment Act shall be sent forthwith to the President of PIPSC.

**

6.2 Voluntary programs

6.2.1 Departments and organizations shall establish internal voluntary departure programs for workforce adjustment situations involving five (5) or more employees working at the same group and level within the same work unit.

6.2.2 When such voluntary programs are established, employees who volunteer and who are selected for workforce adjustment will be made opting employees.

6.2.3 When the number of volunteers is larger than the required number of positions to be eliminated, volunteers will be selected based on seniority (total years of service in the public service, whether continuous or discontinuous).

**

6.3 Alternation

6.3.1 All departments or organizations must participate in the alternation process.

6.3.2 An alternation occurs when an opting employee who wishes to remain in the core public administration exchanges positions with a non-affected employee (the alternate) willing to leave the core public administration under the terms of Part VI of this Appendix.

**

6.3.3

- a. Only opting and surplus employees who are surplus as a result of having chosen Option A may alternate into an indeterminate position that remains in the core public administration.
- b. If an alternation is proposed for a surplus employee, as opposed to an opting employee, the Transition Support Measure that is available to the alternate under 6.4.1(b) or 6.4.1(c) (i) shall be reduced by one week for each completed week between the beginning of the employee's surplus priority period and the date the alternation is proposed.

6.3.4 An indeterminate employee wishing to leave the core public administration may express an interest in alternating with an opting employee. Management will decide, however, whether a proposed alternation will result in retaining the skills required to meet the ongoing needs of the position and the core public administration.

6.3.5 An alternation must permanently eliminate a function or a position.

6.3.6 The opting employee moving into the unaffected position must be, to the degree determined by the Employer, able to meet the requirements of the position, including language requirements. The alternate moving into the opting position must meet the requirements of the position, except if the alternate will not be performing the duties of the position and the alternate will be struck off strength within five (5) days of the alternation.

**

6.3.7 An alternation should normally occur between employees at the same group and level. When the two (2) positions are not the same group and level, alternation can still occur when the positions can be considered equivalent. They are considered equal when the maximum rate of pay for the higher paid position is no more than six per cent (6%) higher than the maximum rate of pay for the lower paid position.

**

6.3.8 An alternation must occur on a given date, that is, two (2) employees directly exchange positions on the same day. There is no provision in alternation for a “domino” effect or for “future considerations”.

For clarity, the alternation of positions shall take place on a given date after approval but may take place after the opting one hundred and twenty (120) day period, such as when the processing of the approved alternation is delayed due to the administrative requirements.

6.4 Options

6.4.1 Only opting employees who are not in receipt of the guarantee of a reasonable job offer from the deputy head will have access to the choice of options below:

a.

- i. Twelve (12) month surplus priority period in which to secure a reasonable job offer: should a reasonable job offer not be made within a period of twelve (12) months, the employee will be laid off in accordance with the Public Service Employment Act. Employees who choose or are deemed to have chosen this Option are surplus employees.
- ii. At the request of the employee, this twelve (12) month surplus priority period shall be extended by the unused portion of the one hundred and twenty (120) day opting period referred to in 6.1.2 which remains once the employee has selected in writing Option (a).
- iii. When a surplus employee who has chosen, or who is deemed to have chosen, Option (a) offers to resign before the end of the twelve (12) month surplus priority period, the deputy head may authorise a lump-sum payment equal to the surplus employee’s pay for the substantive position for the balance of the surplus period, up to a maximum of six (6) months. The amount of the lump sum payment for the pay in lieu cannot exceed the maximum of that which he or she would have received had they chosen Option (b), the Transition Support Measure.
- iv. Departments or organizations will make every reasonable effort to market a surplus employee during the employee’s surplus period within his or her preferred area of mobility.

or

**

- b. Transition Support Measure (TSM) is a lump sum payment, based on the employee’s years of service in the public service (see Annex “B”) made to an opting employee. The TSM shall be paid in one (1) or two (2) lump-sum amounts, at the employee’s request over a maximum two (2) year period. Employees choosing this Option must resign but will be considered to be laid-off for purposes of severance pay.

or

**

- c. Education allowance is a Transitional Support Measure (see Option (b) above) plus an amount of not more than fifteen thousand dollars (\$15,000) for reimbursement of receipted expenses of an opting employee for tuition from a learning institution and costs of books and relevant equipment.

Employees choosing Option (c) could either:

- i. resign from the core public administration but be considered to be laid-off for severance pay purposes on the date of their departure. The TSM shall be paid in one (1) or two (2) lump-sum amounts, at the employee's request over a maximum two (2) year period;

or

- ii. delay their departure date and go on leave without pay for a maximum period of two (2) years, while attending the learning institution. The TSM shall be paid in one or two lump-sum amounts, at the employee's request over a maximum two (2) year period. During this period, employees could continue to be public service benefit plan members and contribute both employer and employee share to the benefits plans and the Public Service Superannuation Plan. At the end of the two (2) year leave without pay period, unless the employee has found alternate employment in the core public administration, the employee will be laid off in accordance with the Public Service Employment Act.

6.4.2 Management will establish the departure date of opting employees who choose Option (b) or Option (c) above.

6.4.3 The TSM, pay in lieu of unfulfilled surplus period and the Education Allowance cannot be combined with any other payment under the workforce adjustment Appendix.

6.4.4 In the cases of: pay in lieu of unfulfilled surplus period, Options (b) and (c)(i), the employee relinquishes any priority rights for reappointment upon acceptance of his or her resignation.

6.4.5 Employees choosing Option (c)(ii) who have not provided their department or organization with a proof of registration from a learning institution twelve (12) months after starting their leave without pay period will be deemed to have resigned from the core public administration, and be considered to be laid-off for purposes of severance pay.

**

6.4.6 All opting employees will be entitled to up to one thousand dollars (\$1,000) towards counselling services in respect of their potential re-employment or retirement. Such counselling services may include financial, and job placement counselling services.

**

6.4.7 An opting employee who has received pay in lieu of unfulfilled surplus period, a TSM or an Education Allowance and is re-appointed to the public service shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such re-appointment or hiring, to the end of the original period for which the TSM or Education Allowance was paid.

6.4.8 Notwithstanding section 6.4.7, an opting employee who has received an Education Allowance will not be required to reimburse tuition expenses, costs of books and mandatory equipment, for which he or she cannot get a refund.

6.4.9 The deputy head shall ensure that pay in lieu of unfulfilled surplus period is only authorised where the employee's work can be discontinued on the resignation date and no additional costs will be incurred in having the work done in any other way during that period.

6.4.10 If a surplus employee who has chosen, or is deemed to have chosen, Option (a) refuses a reasonable job offer at any time during the twelve (12) month surplus priority period, the employee is ineligible for pay in lieu of unfulfilled surplus period.

6.4.11 Approval of pay in lieu of unfulfilled surplus period is at the discretion of management, but shall not be unreasonably denied.

**

6.5 Retention payment

6.5.1 There are three (3) situations in which an employee may be eligible to receive a retention payment. These are total facility closures, relocation of work units and alternative delivery initiatives.

6.5.2 All employees accepting retention payments must agree to leave the core public administration without priority rights.

6.5.3 An individual who has received a retention payment and, as applicable, is either reappointed to that portion of the core public administration specified from time to time in Schedule I and IV of the Financial Administration Act, or is hired by the new employer within the six (6) months immediately following his or her resignation, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such re-appointment or hiring, to the end of the original period for which the lump sum was paid.

6.5.4 The provisions of 6.5.5 shall apply in total facility closures where public service jobs are to cease, and:

- a. such jobs are in remote areas of the country;
or
- b. retraining and relocation costs are prohibitive;
or

- c. prospects of reasonable alternative local employment (whether within or outside the core public administration) are poor.

6.5.5 Subject to 6.5.4, the deputy head shall pay to each employee who is asked to remain until closure of the work unit and offers a resignation from the core public administration to take effect on that closure date, a sum equal to six (6) months' pay payable upon the day on which the departmental or organizational operation ceases, provided the employee has not separated prematurely.

6.5.6 The provisions of 6.5.7 shall apply in relocation of work units where core public administration work units:

- a. are being relocated,
and
- b. when the deputy head of the home department or organization decides that, in comparison to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of workplace relocation,
and
- c. where the employee has opted not to relocate with the function.

6.5.7 Subject to 6.5.6, the deputy head shall pay to each employee who is asked to remain until the relocation of the work unit and offers a resignation from the core public administration to take effect on the relocation date, a sum equal to six (6) months' pay payable upon the day on which the departmental or organizational operation relocates, provided the employee has not separated prematurely.

6.5.8 The provisions of 6.5.9 shall apply in alternative delivery initiatives:

- a. where the core public administration work units are affected by alternative delivery initiatives;
- b. when the deputy head of the home department or organization decides that, compared to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of the transfer to the new employer;
and
- c. where the employee has not received a job offer from the new employer or has received an offer and did not accept it.

6.5.9 Subject to 6.5.8, the deputy head shall pay to each employee who is asked to remain until the transfer date and who offers a resignation from the core public administration to take effect on the transfer date, a sum equal to six (6) months' pay payable upon the transfer date, provided the employee has not separated prematurely.

Part VII: special provisions regarding alternative delivery initiatives

Preamble

The administration of the provisions of this part will be guided by the following principles:

- a. fair and reasonable treatment of employees;
- b. value for money and affordability;
and
- c. maximization of employment opportunities for employees.

The parties recognize:

- the Union's need to represent employees during the transition process;
- the Employer's need for greater flexibility in organizing the core public administration.

7.1 Definitions

alternative delivery initiative (diversification des modes d'exécution)

Is the transfer of any work, undertaking or business of the core public administration to any body or corporation that is a separate agency or that is outside the core public administration.

reasonable job offer (offre d'emploi raisonnable)

Is an offer of employment received from a new employer in the case of a type 1 or 2 transitional employment arrangement, as determined in accordance with section 7.2.2.

termination of employment (licenciement de l'employé)

Is the termination of employment referred to in paragraph 12(1)(f) of the Financial Administration Act (FAA).

7.2 General

Departments or organizations will, as soon as possible after the decision is made to proceed with an alternative delivery initiative (ADI), and if possible, not less than one hundred and eighty (180) days prior to the date of transfer, provide notice to the President of PIPSC.

The notice to PIPSC will include: 1) the program being considered for ADI, 2) the reason for the ADI, and 3) the type of approach anticipated for the initiative.

In cases of ADI, the parties will conduct meaningful consultation on human resources issues related to the ADI in order to provide information to the employee which will assist him/her in deciding on whether or not to accept the job offer.

1. Commercialization

In cases of commercialization where tendering will be part of the process, the parties shall make every reasonable effort to come to an agreement on the criteria related to human resources issues (for example, terms and conditions of employment, pension and health care benefits, the take-up number of employees) to be used in the request for proposal (RFP) process. The parties will respect the contracting rules of the federal government.

2. Creation of a new agency

In cases of the creation of new agencies, the parties shall make every reasonable effort to agree on common recommendations related to human resources issues (for example, terms and conditions of employment, pension, and health care benefits) that should be available at the date of transfer.

3. Transfer to existing employers

In all other ADI initiatives where an employer-employee relationship already exists the parties will hold meaningful consultations to clarify the terms and conditions that will apply upon transfer.

In the cases of commercialization and creation of new agencies, consultation opportunities will be given to PIPSC; however, if after meaningful consultation agreements are not possible, the department may still proceed with the transfer.

7.2.1 The provisions of this Part apply only in the case of alternative delivery initiatives and are in exception to other provisions of this Appendix. Employees who are affected by alternative delivery initiatives and who receive job offers from the new employer shall be treated in accordance with the provisions of this part and, only where specifically indicated will other provisions of this Appendix apply to them.

7.2.2 There are three (3) types of transitional employment arrangements resulting from alternative delivery initiatives:

a. Type 1 (full continuity)

Type 1 arrangements meet all of the following criteria:

- i. legislated successor rights apply. Specific conditions for successor rights applications will be determined by the labour legislation governing the new employer;

**

- ii. the Directive on Terms and Conditions of Employment, the terms of the collective agreement referred to therein and/or the applicable compensation plan will continue to apply to unrepresented and excluded employees until modified by the new employer or by the PSLREB pursuant to a successor rights application;

**

- iii. recognition of continuous employment in the core public administration, as defined in the Directive on Terms and Conditions of Employment, for purposes of determining the employee's entitlements under the collective agreement continued due to the application of successor rights;
- iv. pension arrangements according to the statement of pension principles set out in Annex "A", or, in cases where the test of reasonableness set out in that statement is not met, payment of a lump-sum to employees pursuant to section 7.7.3;
- v. transitional employment guarantee: a two (2) year minimum employment guarantee with the new employer;
- vi. coverage in each of the following core benefits: health benefits, long term disability insurance (LTDI) and dental plan;
- vii. short-term disability bridging: recognition of the employee's earned but unused sick leave credits up to maximum of the new employer's LTDI waiting period.

b. Type 2 (substantial continuity)

Type 2 arrangements meet all of the following criteria:

- i. the average new hourly salary offered by the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-five per cent (85%) or greater of the group's current federal hourly remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are the same;
- ii. the average annual salary of the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-five per cent (85%) or greater of federal annual remuneration (= per cent or greater of federal annual remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are different;
- iii. pension arrangements according to the statement of pension principles as set out in Annex "A", or in cases where the test of reasonableness set out in that Statement is not met, payment of a lump-sum to employees pursuant to section 7.7.3;
- iv. transitional employment guarantee: employment tenure equivalent to that of the permanent workforce in receiving organizations or a two (2) year minimum employment guarantee;
- v. coverage in each area of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;

vi. short-term disability arrangement.

c. Type 3 (lesser continuity)

A type 3 arrangement is any alternative delivery initiative that does not meet the criteria applying in type 1 and 2 transitional employment arrangements.

7.2.3 For type 1 and 2 transitional employment arrangements, the offer of employment from the new employer will be deemed to constitute a reasonable job offer for purposes of this part.

7.2.4 For type 3 transitional employment arrangements, an offer of employment from the new employer will not be deemed to constitute a reasonable job offer for purposes of this part.

7.3 Responsibilities

7.3.1 Deputy heads will be responsible for deciding, after considering the criteria set out above, which of the types applies in the case of particular alternative delivery initiatives.

7.3.2 Employees directly affected by alternative delivery initiatives are responsible for seriously considering job offers made by new employers and advising the home department or organization of their decision within the allowed period.

7.4 Notice of alternative delivery initiatives

7.4.1 Where alternative delivery initiatives are being undertaken, departments or organizations shall provide written notice to all employees offered employment by the new employer, giving them the opportunity to choose whether they wish to accept the offer.

7.4.2 Following written notification, employees must indicate within a period of sixty (60) days their intention to accept the employment offer.

7.5 Job offers from new employers

7.5.1 Employees subject to this Appendix (see Application) and who do not accept the reasonable job offer from the new employer in the case of type 1 or 2 transitional employment arrangements will be given four (4) months' notice of termination of employment and their employment will be terminated at the end of that period or on a mutually agreed upon date before the end of the four (4) month notice period except where the employee was unaware of the offer or incapable of indicating an acceptance of the offer.

7.5.2 The deputy head may extend the notice of termination period for operational reasons, but no such extended period may end later than the date of the transfer to the new employer.

7.5.3 Employees who do not accept a job offer from the new employer in the case of type 3 transitional employment arrangements may be declared opting or surplus by the deputy head in accordance with the provisions of the other parts of this Appendix.

7.5.4 Employees who accept a job offer from the new employer in the case of any alternative delivery initiative will have their employment terminated on the date on which the transfer becomes effective, or on another date that may be designated by the home department or organization for operational reasons provided that this does not create a break in continuous service between the core public administration and the new employer.

7.6 Application of other provisions of the Appendix

7.6.1 For greater certainty, the provisions of Part II, Official Notification, and section 6.5, Retention Payment, will apply in the case of an employee who refuses an offer of employment in the case of a type 1 or 2 transitional employment arrangement. A payment under section 6.5 may not be combined with a payment under the other section.

7.7 Lump-sum payments and salary top-up allowances

7.7.1 Employees who are subject to this Appendix (see Application) and who accept the offer of employment from the new employer in the case of type 2 transitional employment arrangements will receive a sum equal to three (3) months' pay, payable upon the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees an eighteen (18) month salary top-up allowance equal to the difference between the remuneration applicable to their core public administration position and the salary applicable to their position with the new employer. This allowance will be paid as a lump-sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.2 In the case of individuals who accept an offer of employment from the new employer in the case of a type 2 arrangement whose new hourly or annual salary falls below eighty per cent (80%) of their former federal hourly or annual remuneration, departments or organizations will pay an additional six (6) months of salary top-up allowance for a total of twenty-four (24) months under this section and section 7.7.1. The salary top-up allowance equal to the difference between the remuneration applicable to their core public administration position and the salary applicable to their position with the new employer will be paid as a lump-sum payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.3 Employees who accept the reasonable job offer from the successor employer in the case of a type 1 or 2 transitional employment arrangement where the test of reasonableness referred to in the statement of pension principles set out in Annex "A" is not met, that is, where the actuarial value (cost) of the new employer's pension arrangements are less than six decimal five per cent (6.5%) of pensionable payroll (excluding the employer's costs related to the administration of the plan) will receive a sum equal to three (3) months' pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.4 Employees who accept an offer of employment from the new employer in the case of type 3 transitional employment arrangements will receive a sum equal to six (6) months' pay payable on the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees a twelve

(12) month salary top-up allowance equal to the difference between the remuneration applicable to their core public administration position and the salary applicable to their position with the new employer. The allowance will be paid as a lump-sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The total of the lump-sum payment and the salary top-up allowance provided under this section will not exceed an amount equal to one (1) year's pay.

7.7.5 For the purposes of 7.7.1, 7.7.2 and 7.7.4, the term remuneration includes and is limited to salary plus equal pay adjustments, if any, and supervisory differential, if any.

7.8 Reimbursement

7.8.1 An individual who receives a lump-sum payment and salary top-up allowance pursuant to subsection 7.7.1, 7.7.2, 7.7.3 or 7.7.4 and who is reappointed to that portion of the core public administration specified from time to time in Schedule I and IV of the Financial Administration Act at any point during the period covered by the total of the lump-sum payment and salary top-up allowance, if any, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of re-appointment to the end of the original period covered by the total of the lump-sum payment and salary top-up allowance, if any.

7.8.2 An individual who receives a lump-sum payment pursuant to subsection 7.6.1 and, as applicable, is either reappointed to that portion of the core public administration specified from time to time in Schedule I and IV of the Financial Administration Act or hired by the new employer, to which the employee's work was transferred, at any point covered by the lump-sum payment, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of the reappointment or hiring to the end of the original period covered by the lump-sum payment.

7.9 Vacation leave credits and severance pay

7.9.1 Notwithstanding the provisions of this collective agreement concerning vacation leave, an employee who accepts a job offer pursuant to this part may choose not to be paid for earned but unused vacation leave credits, provided that the new employer will accept these credits.

7.9.2 Notwithstanding the provisions of this collective agreement concerning severance pay, an employee who accepts a reasonable job offer pursuant to this part will not be paid severance pay where successor rights apply and/or, in the case of a type 2 transitional employment arrangement, when the new employer recognizes the employee's years of continuous employment in the core public administration for severance pay purposes and provides severance pay entitlements similar to the employee's severance pay entitlements at the time of the transfer.

**

However, an employee who has a severance termination benefit entitlement under the terms of paragraph 19.06(b) or (c) of Appendix "V" shall be paid this entitlement at the time of transfer.

7.9.3 Where:

- a. the conditions set out in 7.9.2 are not met;
- b. the severance provisions of this collective agreement are extracted from this collective agreement prior to the date of transfer to another non-federal public sector employer;
- c. the employment of an employee is terminated pursuant to the terms of section 7.5.1;
or
- d. the employment of an employee who accepts a job offer from the new employer in a type 3 transitional employment arrangement is terminated on the transfer of the function to the new employer,

the employee shall be deemed, for purposes of severance pay, to be involuntarily laid off on the day on which employment in the core public administration terminates.

Annex “A”: statement of pension principles

1. The new employer will have in place, or Her Majesty in right of Canada will require the new employer to put in place, reasonable pension arrangements for transferring employees. The test of “reasonableness” will be that the actuarial value (cost) of the new employer pension arrangements will be at least six decimal five per cent (6.5%) of pensionable payroll, which in the case of defined-benefit pension plans will be as determined by the Assessment Methodology developed by Towers Perrin for the Treasury Board, dated October 7, 1997. This Assessment Methodology will apply for the duration of this collective agreement. Where there is no reasonable pension arrangement in place on the transfer date or no written undertaking by the new employer to put such reasonable pension arrangement in place effective on the transfer date, subject to the approval of Parliament and a written undertaking by the new employer to pay the employer costs, Public Service Superannuation Act (PSSA) coverage could be provided during a transitional period of up to a year.
2. Benefits in respect of service accrued to the point of transfer are to be fully protected.
3. Her Majesty in right of Canada will seek portability arrangements between the public service Superannuation Plan and the pension plan of the new employer where a portability arrangement does not yet exist. Furthermore, Her Majesty in right of Canada will seek authority to permit employees the option of counting their service with the new employer for vesting and benefit thresholds under the PSSA.

Annex “C”: role of PSC in administering surplus and lay-off priority entitlements

1. The PSC will refer surplus employees and laid-off persons to positions, in all departments, organizations and agencies governed by the PSEA, for which they are potentially qualified for the essential qualifications, unless the individuals have advised the PSC and their home departments or organizations in writing that they are not available for appointment. The PSC will further ensure that entitlements are respected and that priority persons are fairly and properly assessed.
2. The PSC, acting in accordance with the Privacy Act, will provide the Treasury Board Secretariat with information related to the administration of priority entitlements which may reflect on departments' or organizations' and agencies' level of compliance with this Directive.
3. The PSC will provide surplus and laid-off individuals with information on their priority entitlements.
4. The PSC will, in accordance with the Privacy Act, provide information to bargaining agents on the numbers and status of their members who are in the Priority Administration System and, on a service-wide basis, through reports to the National Joint Council's Workforce Adjustment Committee.
5. The PSC will ensure that a reinstatement priority is given to all employees who are appointed to a position at a lower level.
6. The PSC will, in accordance with the Privacy Act, provide information to the Employer, departments or organizations and/or bargaining agents on referrals of surplus employees and laid-off persons in order to ensure that the priority entitlements are respected.

Memorandum of Agreement With Respect to a Joint Working Group to Study Departments' Voluntary Departure Guidelines and Procedures for Workforce Adjustment Situations

This memorandum is to give effect to the agreement reached between the Employer and the Professional Institute of the Public Service of Canada in respect of employees in the Applied Science and Patent Examination, Architecture, Engineering and Land Survey, Audit, Commerce and Purchasing, Computer Systems, Health Services and Research bargaining units.

To address the issues raised at the common workforce adjustment table concerning the establishment of voluntary departure programs in departments prior to workforce adjustment situations involving five (5) or more employees working at the same group and level, the Employer and the Professional Institute of the Public Service of Canada agree to establish a joint working group to meet within ninety (90) days of the signing of the agreement(s), to assemble and evaluate existing departmental voluntary departure guidelines and procedures.

In consultation, the working group will report to the parties within twelve (12) months of the signing of the agreement regarding best practices for addressing voluntary departures prior to workforce adjustment situations.

Within sixty (60) days of the working group's report, The Employer shall issue a communiqué to the head of human resources of each department or organization containing the best practices identified by the working group. A copy will be sent to the President of PIPSC.

All costs associated with the working group will be the responsibility of each party.

Appendix “T”

Letter of Understanding Concerning the Health Services Group Re: Professional Care and Service Delivery

This letter is to give effect to the understanding reached by the Employer and the Institute in negotiations for the renewal of the agreement that expired September 30, 2003, covering the above specified group.

Memorandum of Agreement Between the Treasury Board (Hereinafter Called the Employer) and the Professional Institute of Public Service of Canada (Hereinafter Called the Institute) on Supporting Employee Wellness

This Memorandum of Agreement is to give effect to the agreement reached between the Employer and the Professional Institute of the Public Service of Canada (hereinafter referred to as “the parties”) regarding issues of employee wellness.

The parties will create an Employee Wellness Support Program (EWSP) which will focus on improving employee wellness and the reintegration of employees into the workplace after periods of leave due to illness or injury.

Key features

The EWSP will incorporate the following key features:

- contained in collective agreements;
- benefits for up to 26 weeks (130 working days) with income support replacement at 100%;
- the annual allotment shall be 9 days of paid sick leave for illness or injury that falls outside of the parameters of the EWSP;
- 100% income replacement during the 3 day (working) qualification period when the employee’s claim is approved;
- qualifying chronic or episodic illnesses will be exempt of the waiting period;
- the qualification period will be waived in cases of hospitalization or recurrence of a prior illness or injury approved under EWSP within 30 days;
- employees are entitled to carry over a maximum of 3 days of unused sick leave credits remaining at the end of the fiscal year, for use in the following fiscal year;
- the accumulation of current sick leave credits will cease once the EWSP is implemented. Employees with banked sick leave in excess of 26 weeks, will be entitled to carry over those excess days to provide extended coverage at 100% income replacement prior to accessing LTD;
- travel time for diagnosis and treatment;
- internal case management and return to work services focused on supporting employees when ill or injured;
- an employee on EWSP will be considered to be on leave with pay;
- full costs of administering the EWSP to be borne by Employer; and
- increase the quantum of family related leave by one (1) day.

Process

The parties agree to create a technical committee and a steering committee, with a long-term focus and commitment from senior leadership of the parties.

The steering committee and technical committee will be established within 60 days of

signing. The committees will be comprised of an equal number of Employer representatives and Union representatives. The steering committee is responsible for determining the composition of the technical committee.

All time spent by employees in support of the Technical Committee shall be deemed to be leave with pay for Union activities. The Employer will grant leave with pay for employees engaged in these activities, including preparation and travel time.

The technical committee will develop all agreements and documents needed to support the implementation of an EWSP during the next round of collective bargaining. This work shall be completed within one year of signing. The technical committee shall provide interim recommendations for review by the steering committee on the following matters through a series of regular meetings:

- consequential changes to existing leave provisions within the collective agreements, and the Long Term Disability Plan (LTD);
- definitions;
- eligibility conditions for a new EWSP;
- assessment and adjudication processes;
- internal case management and return to work services;
- workplace accommodations;
- creation of a Centre for Workplace Well-Being;
- governance of the EWSP, including dispute resolution mechanisms;
- coverage of operational stress injuries and other injuries sustained by employees deployed in military operations;
- harassment;
- domestic violence; and
- other measures that would support an integrated approach to the management of health for federal public service employees.

The technical committee shall review practices from other Canadian jurisdictions and employers that might be instructive for the Public Service, recognizing that not all workplaces are the same. Federal public service health and safety committees will be consulted as required by the steering committee, as well as leading Canadian experts in the health and disability management field.

The steering committee is to approve a work plan for the technical committee and timelines for interim reports within 4 months of signing. The technical committee work plan may be amended from time to time by mutual consent of the steering committee members.

Dates may be extended by mutual agreement of the steering committee members. The technical committee terms of reference may be amended from time to time by mutual consent of the steering committee members.

The parties agree if an agreement is not reached within 18 months from the establishment of the Technical Committee, or at any time before that time, to jointly appoint a mediator within 30 days.

Integration into collective agreements

1. Once the parties reach agreement on tentative EWSP language and program design, that agreement will be provided to individual PIPSC bargaining tables for ratification and inclusion in their collective agreements.
2. The agreement reached on the EWSP shall not be altered by any bargaining tables.
3. Future amendments to the EWSP shall require the agreement of the Institute and the Employer. Future amendments shall be negotiated between the parties at a central table made up of an Institute bargaining team and an Employer bargaining team.
